

Island West Properties

Are You in the Market for a New Home?

Let us make you an offer you can't refuse. Island West Properties builds beautiful homes. You may choose from any of our model home floor plans, which include many of the features most asked for by today's home buyers. We also offer a full range of financing options. The professional staff at Island West Properties can turn your dreams of home-ownership into reality.

All you have to do is let one of our agents show you our properties and help you with all of the details. We offer consultation services, financial services, and the peace of mind that comes from knowing you are working with someone you can count on.

If I have the land on which to build, may I purchase only the house?

Absolutely. We know that choosing the perfect location for your home is important. Although we have many beautiful lots available for incomparable prices, we do not insist that you buy the lot from us.

How do I get more information?

To find out more about what we have to offer, call our central office at (817) 555-2320. An Island West Properties representative will be happy to answer all of your questions.
