

INSTRUCTIONS: Create a HTML document to do the following:

Exercise #1:

1. Open template.html, Save As: **mission.html**
2. Create a HTML web page that will display:
 - GCC's Mission Statement as the **title** of the web page.
 - GCC's Mission Statement as a **heading** using the largest heading tag.
 - GCC's Mission Statement below the heading using multiple lines.
 - Use paragraphs, line breaks, or pre element tags.

Exercise #2:

1. Open template.html, Save As: **isps.html**
2. Create a HTML web page that will display:
 - Customer Service Information for 3 Internet Service Providers on Guam.
 - Include a web page **title**.
 - **Headings** for each ISPs using the largest heading tag.
 - Customer information for the 3 ISPs below each heading using multiple lines.
 - Use line breaks and horizontal rules for separation.
