

```
// Set the student's grade
```

```
switch (grade)
{
    // If score is 90 or greater
    case grade >= 90:
        document.getElementById("text").innerHTML = "A";
        break;
    // If score is 80 or greater
    case grade >= 80:
        document.getElementById("text").innerHTML = "B";
        break;
    // If score is 70 or greater
    case grade >= 70:
        document.getElementById("text").innerHTML = "C";
        break;
    // If score is 60 or greater
    case grade >= 60:
        document.getElementById("text").innerHTML = "D";
        break;
    // Anything 59 or below is failing
    default:
        document.getElementById("text").innerHTML = "F";
}
```
