Enrichment Student Category	<p>Prior to Fall 2008, an <i>undeclared student</i> at GCC was described as a student who is taking courses for personal enrichment and who is not working on a degree, certificate or diploma. However, with the adoption of GCC Board Policy 520 on May 8, 2008, a formal category of <i>enrichment student</i> was created in order to accommodate the needs of students who do not intend to seek a degree at the College. This policy was made effective in Fall 2008.</p> <p>The 2008-2010 College Catalog can be found at the following web address: http://www.guamcc.edu/index2.php?option=com_docman&task=doc_view&gid=2130</p>
College Mission and Vision Statement	<p>The College mission statement of 2005 underwent review in AY08-09. The Standard I Self-Study Committee led the campus-wide effort to further the dialogue on this issue. A new mission and vision statement was adopted on March 11, 2009 through Board Policy 100. The approved Board resolution also includes the College vision and four critical goals that will align with the ISMP.</p> <p>The ISMP can be found at the following web address: http://guamcc.edu/index.php?option=com_docman&task=doc_view&gid=1614</p>

The following table provides an update to the College's continuous assessment initiatives:

Table 2

Continuous Assessment Initiatives

ASSESSMENT INITIATIVE	DESCRIPTION
Fall 2008 Assessment	The Fall 2008 assessment compliance rate was the highest in eight years (Group A- 87% compliant, Group B- 80% compliant, Group C- 96% compliant, and Group D- 93% compliant).
Assessment and Institutional Effectiveness (AIE) Website Update	On January 2009, GCC/AIE entered into an agreement with BUECODE to transfer all the files, documents, and photos from the AIE website link to the new GCC public website.
