

Student Learning Outcomes

SONG Contest!

What is an "SLO"?

SLO stands for Student Learning Outcomes. For each course offered, SLOs are identified to inform students what they will be able to achieve, know, think and/or value after successfully completing the GCC course. By knowing what is expected in the course, students can work toward the successful achievement of their educational goals.

What is a "Song"?

A short musical composition with words.

How can an SLO "Song" earn me \$350?

The Guam Community College is conducting an SLO Song Contest to promote the importance of SLOs to our students and to the general public. The contest is open to currently enrolled GCC Postsecondary and Adult High School students and GCC Alumni.

The First Place winner will receive \$350, the Second Place winner will receive \$200, and the Third Place winner will receive \$100!
