Guam Community College students will acquire the highest quality education and job training that promotes workforce development and empowers them to serve as dynamic leaders within the local and international community. Students will demonstrate:

1. Use of acquired skills in effective communication, and quantitative analysis with proper application of technology.

2. Ability to access, assimilate and use information ethically and legally.

3. Mastery of critical thinking and problem-solving techniques.

4. Collaborative skills that develop professionalism, integrity, respect, and fairness.

5. Civic responsibility that fosters respect and understanding of ethical, social, cultural, and environmental issues locally and globally.

If courses are not offered as a program, skip 'Related to Program Level SLO' column.
