Dec. 2, 2010

Dear Dr. Ray,

The Standard I Committee recommends that we keep the present mission statement, ratified and approved by the BOT on March 11, 2009, intact for now. This mission statement clearly defines the students the institution serves, as well as emphasizes the college's commitment to providing the highest quality of education and job training in Micronesia.

Thank you.

Carol Galvez-Reid  
Chair  
Standard I Committee
