## International Hotel Management, A.S.

### Program Mission

The Associate of Science in International Hotel Management prepares students with the knowledge, skills, and attitudes for a successful career in the Hospitality industry.

### Program Description

The International Hotel Management degree prepares students in the hotel operations departments: Front office, Housekeeping, Food and Beverage operations and Human Resources. This program focuses on customer service and communications skills necessary to be successful as a Hospitalitarian. Training students in managerial, supervisory, and organizational skills is also emphasized.

### Program Student Learning Outcomes (SLOs):

Upon successful completion of the AS in Hotel Operations and Management program, students will be able to:

1. Summarize supervisory skills for the hospitality industry.
2. Demonstrate customer service and hotel operations skills.
3. Evaluate the importance of the hospitality industry to the global economy.
