**Importance:** High

Hi Dee,

I have a Standard II section to write that I just found out I'll be writing. Could you please answer these questions for the report?

Who administers the entrance exam? The exam is proctored by the Nursing & Allied Health Administrative Assistant. Currently, that is me.

How are the entrance exams administered? The exams are administered in a classroom setting, paper exams with an answer sheet.

When are the exam administered? The exams are administered the August prior to the cycle the student is applying for. For example, at this time we are accepting applications for the 2018 cohort. The entrance exams will most likely be scheduled on Wednesday, August 2, 2017 at 9am, Thursday, August 3, 2017 at 1pm, and Friday, August 4, 2017 at 3pm. Students can sign up for either one of these days. Times are spread out to accommodate students' times. Exceptions are made on a case by case basis if a student cannot make it on these dates and need to take the exam at an earlier or later date.

What is the passing score? There is no pass or fail for the entrance exam. Scores are only a part of the criteria of our selection process and are ranked and evaluated alongside the other criteria.  
Thank you so much for your help!

Chrisitne
