Guam Community College is a multi-faceted public career and technical education institution that prepares students for progressive employment opportunities in career and technical fields, or for transfer to four-year institutions of higher education. To fulfill its mission as a leader in career and technical workforce development, providing the highest quality, student-centered education and job training for Micronesia, the College offers secondary and postsecondary programs, adult and continuing education, community education, and short-term specialized industry training. GCC has been continuously accredited since 1979 by the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges (ACCJC/WASC).
