IT'S TIME!....Team GCC, let's Fall into action and gear up for Accreditation.

As we prepare for accreditation, let's take note of the following Accreditation lineup:

- ✓ August 1, 2024: Institutional Self-Evaluation Report (ISER) is due
- ✓ Fall 2024: ACCJC Team ISER Review (standards validation, core inquiries-conducted at an off-campus site)
- ✓ Spring 2025: Focused Site Visit (evaluation team members will visit the GCC campus)
- ✓ June 2025: Commission Action on Accreditation status

I strongly encourage all stakeholders—Board members, faculty, staff, administrators, and students to contribute to our ISER review process. Your contributions to the development of our ISER are valuable.

Thank you for keeping accreditation our highest priority this academic year.

We got this, Team GCC!
