

Hafa Adai, Team GCC!

In our journey toward reaffirmation of our accreditation status, we came together as a community to develop our Institutional Self-Evaluation Report (ISER). The report, a reflection of the college's collective efforts toward student success, was turned in and accepted by the Accrediting Commission for Community and Junior Colleges (ACCJC) in July 2024.

The next significant step toward reaffirmation is just around the corner! GCC's accreditation team invites students, faculty, and staff to gather in an open forum to meet the GCC Peer Review Team and to provide them with feedback about GCC's progress:

Open Forum with GCC's Peer Review Team

Thursday, October 10, 2024 | 10:00AM
