- 1. Addressing stress & caregiver challenges
- 2. Caring for yourself & staying healthy (mentally & physically)
- 3. Keeping kids happy, healthy & active during the pandemic
- 4. Elderly care tips
- 5. COVID reminders social distance, wash your hands, wear your mask!

- IV. 10:00 a.m.-11:30 a.m. Session

Pears and Google Jam Together! (facilitator-Dr. Marsha Postrozny):

What do these things have in common? Pear Deck, Jamboard and Google Classroom work perfectly together! Join me for a live demo and/or participate asynchronously by clicking on link: <https://app.peardeck.com/student/tvsbgdzhi> (or can access by going to joinpd.com and entering code: **wcf gxx**).

- V. 11:30 a.m.-1:00 p.m. Session

Google Classroom 1.0 (facilitator-Kennylyn Miranda)

This training will provide step-by-step instructions on how to use the learning management system, Google Classroom, which is a free application to help students and teachers communicate, collaborate, and organize learning materials to enhance online learning. This training will cover the following:

- Basic navigation
- Creating & setting up classes
- Utilizing stream to create announcements
- Creating discussions and assignments
- Adding resources and materials
- Setting up grades

VI. 1:00 p.m.-2:30 p.m. Session

*Addressing Employee Fear, Growing Productivity and Powering Transformation
(Presentors: Dr. Samuel Betances and Dr. Laura M. Torres Souder)*

COVID and its impact on home and work life have been monumental. The virtual landscape is here to stay. Anxiety and fear of the unknown can paralyze us and compromises our ability to remain innovative and productive. This presentation focuses on these challenges and how we can cultivate a resiliency mindset by leveraging technology and “out-of-the-box” ways of meeting the needs of GCC’s internal and external customers.

VII. 2:30 p.m.-4:00 p.m. Session

Moodle Training: Building a Better Moodle (facilitator-Jonah Concepcion)

In this training, we will look at additional Moodle features. These include Label, URL, File, Page, Book, Choice, and Folder.

How to get prepared for this training?

1. Email wesley.gima@guamcc.edu or jonah.concepcion@guamcc.edu to set-up a Moodle shell (course).
2. Preview the training videos in the Moodle Help Center (found on [Guam Community College Moodle Site](#))
3. Start building your Moodle shell.

VIII. 4:00 p.m.-5:00 p.m. Sessions

Customer Service Training for Staff and Administrators (facilitators-Apol San Nicolas and Larissa Camacho)

Faculty Union Meeting
