

# **Cancellation of Spring 2019 College Assembly**

TO: Faculty, Staff, and Administrators

SUBJECT: **Cancellation of Spring 2019 College Assembly**

I have just received confirmation from GDOE that March 18, 2019 will be a school-wide make up day. This means that our College Assembly scheduled for this day (since last year) will be cancelled, since this would not allow our secondary faculty to attend. I also explored April 22 (GDOE Prof. Dev. Day) as the next possible date but unfortunately, this date has also been scheduled as a makeup day for most GDOE schools.

Please make the necessary schedule adjustments because of this cancellation. A vetting session for ISMP will be scheduled in smaller groups sometime this semester.

Thank you.
