ADMINISTRATIVE SECTION

Academic Structure The Guam Community College is comprised of two Schools: School of Trades and Professional Services (TPS) and the School of Technology and Student Services (TSS). Each School has an appointed Dean who has oversight over their respective academic departments. The Deans frequently communicate with department chairs concerning operational, curriculum, and other matters pertinent to their department and college.

Department Chair/Program Administrator

The Department Chair (DC)/Program Administrator is your link to the College. Please contact your DC/Program Administrator as often as you need and keep him or her informed if you intend to miss class, and any other concerns or challenges you may have.

Adjunct faculty are highly encouraged to meet with their Department Chair regularly if they are teaching a course for the first time. In your meeting, you may also ask questions to gain insight about the GCC culture, the diversity of the student body, and teaching strategies that other faculty members have found successful. Your Department Chair and other faculty members are excellent resources and who can provide support as you teach the course(s) assigned to you.

Adjunct Class Assignment & Checklist Form

Upon notification of employment by the Human Resources Office (HRO), adjunct faculty, together with their Department Chair/Program Administrator, must complete the Adjunct Class Assignment and Checklist Form for each course. **(See Appendix A: Adjunct Class Assignment & Checklist Form)**

When a course has fewer than 13 students, there is a possibility that the course may be cancelled. Please indicate on your Adjunct Class Assignment and Checklist Form if you are willing to teach the class(es) at a reduced rate.

TB Clearance

Listed on the Class Assignment Form is a section for TB Clearance. The TB Clearance is a *condition of employment*. Adjunct faculty must obtain their TB clearance prior to conducting a class. The Student Health Center offers skin tests on Monday, Tuesday, Wednesday, and Friday. Skin tests are NOT administered on Thursday due to the two-day requirement before a skin test reading can be made. Readings are conducted throughout the week.

Instructors whose TB Clearance has expired will not be allowed in the classroom until the clearance has been renewed. Health Center announcements are made via the GCC portal if

there are changes to hours of operation. For more information, you may contact 671-735-5586 ext. 5577 or visit the Health Center, located on the 1st Floor of the Student Center, Building 5000, Room 5126.

When the Adjunct Class Assignment & Checklist Form is completed and signed by the adjunct faculty and department chair, it is then forwarded to the Dean for approval. Upon approval, the Human Resources Office will prepare the employment contract. (See Human Resources Section below for more information.)

Assessment (College-wide)

GCC has a college-wide systematic and comprehensive assessment program to help improve student learning and teaching. Your Department Chair will be asking you to provide evidence of the achievement of the Student Learning Outcomes (SLOs) and other competencies to assist in the assessment process. Through your Department Chair, the Office of Assessment, Institutional Effectiveness, and Research (AIER) may also solicit your assistance in the collection of data to contribute to the culture of evidence on campus.

IDEA student surveys are conducted to ascertain instructional quality. When scheduled, you will be receiving instructions via your GCC email account. The IDEA Student Ratings of Instruction (SRI) is like no other system available for translating informative course feedback into actionable steps to improve student learning.

Students give feedback on teaching and learning based on their direct course experience, providing faculty with relevant information that ultimately guide and strengthen teaching.

Informal Classroom Observation

Department Chairs/Program Administrators and Campus Administrators will make informal classroom observations over the course of the semester. These observations are in line with the Faculty Evaluation process. Although Adjunct Faculty members are not formally evaluated, they are expected to teach to the same standards as all other GCC

faculty. The classroom observations will provide evidence for Department Chairs/Program Administrators, and Campus Administrators in supporting positive feedback that can affect future selection to teach courses at GCC.

Please contact your Department Chair/Program Administrator if you have any questions regarding the informal classroom observation.

Campus Safety & Security

GCC strives to provide a safe and secure campus for all its students and employees. The following is a listing of activities that the College either follows or has undertaken to provide a reasonably safe environment in which to work and learn:

Night Administration

The College provides limited after-hour support for students and faculty in the form of night administration, located in Building C, Classroom C-1. The Night Administrator is the designated manager of the college during the evening hours and all activities or requests for assistance must be coordinated with the Night Administrator.

Security Guards

GCC contracts the services of a private security company to provide security on campus. Security activities are coordinated by the Student Support Office. Security personnel are located in Building C, Classroom C-1. The mission of security personnel is to protect our GCC Community. Security also assists students, faculty and staff with traffic control, accidents and incidents that occur on campus. Please call 671-735-5555 ext. 5418/5558 for more information.
