Hafa Adai Leslie,

Thank you for the follow-up. The Board of Trustees had their meeting on 2/11/22, and we are in the process of obtaining the Board Chairman's signature on the approved meeting minutes for 1/6/22. We hope to get this completed this week and we will advise once the document has been uploaded to COD.

Hi Esther,

I hope this email finds you well.

I am following up on the approved minutes for the January 6, 2022 meeting, which Guam CC stated in its response that it would not be available/approved until after the February 11th meeting. Could you please provide me a status on this? If/when the minutes are ready, please submit them via the COD Document Center and notify me when this has been completed.

Thank you very much.

Leslie

Good Morning Leslie,

Thank you for the clarification on the R2T4 Calculation finding requirement. We have uploaded onto the COD Document center, the screenshots from COD for the four sample students that reflect the Non-Financial Change from the R2T4 calculation for your review.

Thank you for allowing us to provide the approved minutes for the Consumer Information item as soon as it is made available.

Thank you and have a good day.

Best regards,

Esther
