*SOURCE: Fact Book Volume 10, 11, 12, 13, ACCJC Annual Report, phone surveys of GCC graduates conducted August 2014 to April 2019.

The job placement rate is only reported for career clusters with programs where **at least 10** students completed in the designated year **and at least 10 students** were contacted. The programs that did not fit the two criteria aforementioned are not listed and the grayed-out boxes denote a year in which the two criteria were not met for programs in the career cluster. The job placement rate for each designated year is as of April in the following year. Career pathways are defined by the U.S. Department of Education as a series of connected support services, education, and training programs that enable individuals to secure employment within a specific industry or occupational sector and to advance over time to successively higher levels of education or employment in that sector.
