

Evaluation of the Fire Extinguisher Training held on October 6, 2022 at the Multi-Purpose Auditorium (MPA) - presented by the Environmental Health & Safety Office.

Chart 1

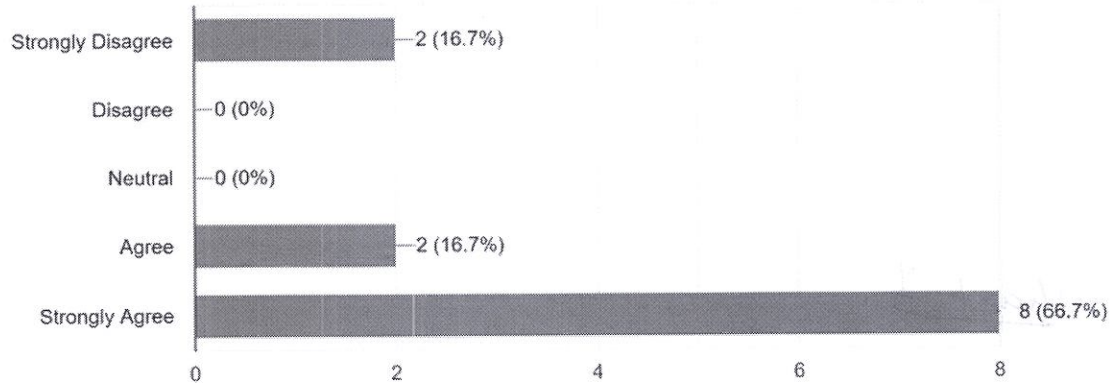

Note on the bar chart above: Agree = 1 + Strongly Agree 10 = 11 indicated that they gain a better understanding of the purpose and use of Fire Extinguishers = 11/12 = 92 %.

✓ Note: $\frac{\text{Chart 1 (92\%)} + \text{Chart 2 (83\%)}}{2} = 87.5\% \approx 88\%$
Average

Chart 2

The training offered an opportunity for a hands-on experience that would enabled me to to be able to handle Fire Extinguishers when needed.

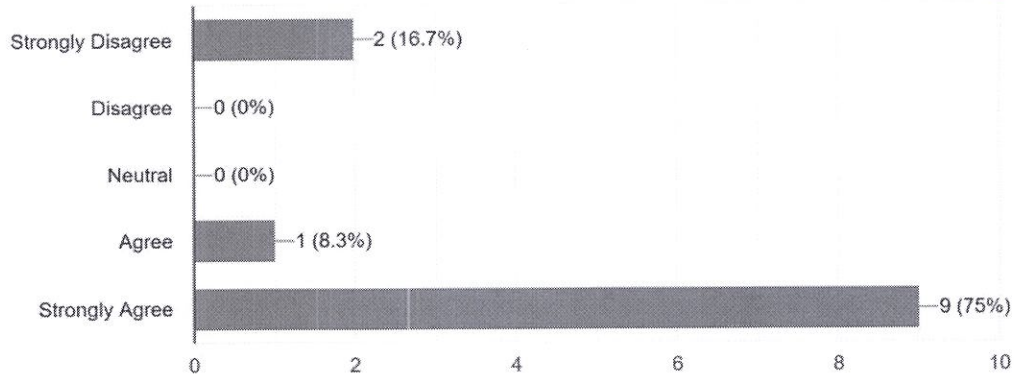

12 responses

Agree = 2, strongly Agree = 8 $\approx 10/12 = 83\%$
 Average: Chart 1 = 92% + Chart 2 = 83% $\approx \frac{175}{2} = 87.5$
 Average $\approx 88\%$

I am satisfied with the Fire Extinguisher Training.

12 responses

Note on the bar chart above: Agree = 1 + Strongly Agree 9 = 10 indicated that they are satisfied with the Fire Extinguisher Training = $10/12 = 83\%$.

Extraneous factor: This Google's Survey was conducted more than a month after the actual training date. The order of the survey possible answers could be looked as "strongly disagree" came first before "strongly agree." An option to amend or change an initial response to a more desired response could be included in future surveys. A space for comment is recommended for qualitative data.
