

LEARNING CENTER & BULLETIN BOARD

Knowledge

Activities

Draw what you think the native looked like.

MI: Visual/spatial

Knowledge

Activities

Create a song that tells a short story about animals.

MI: Musical

Comprehension

Activities

Write a letter to someone who you can trust your secret with.

MI: Linguistic

Comprehension

Activities

Create a poster of your favorite animal.

MI: Visual/spatial

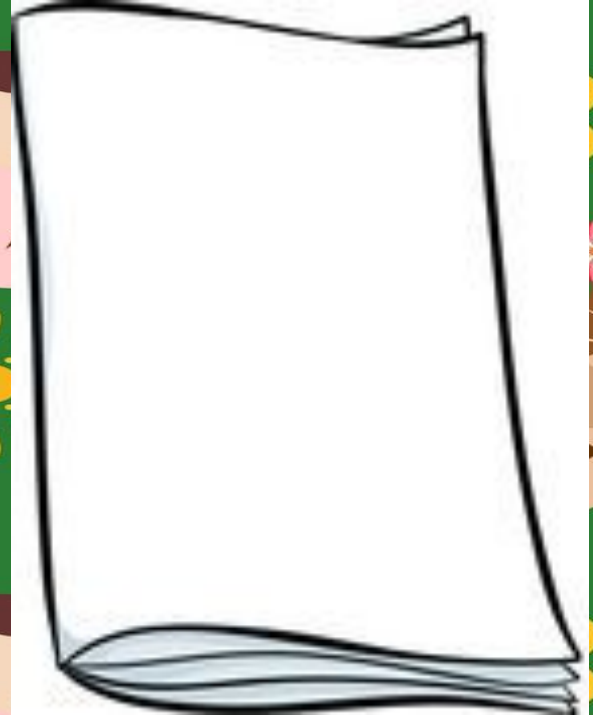

Application

Activities

Create a booklet showing 5 main events of the story.

MI: visual

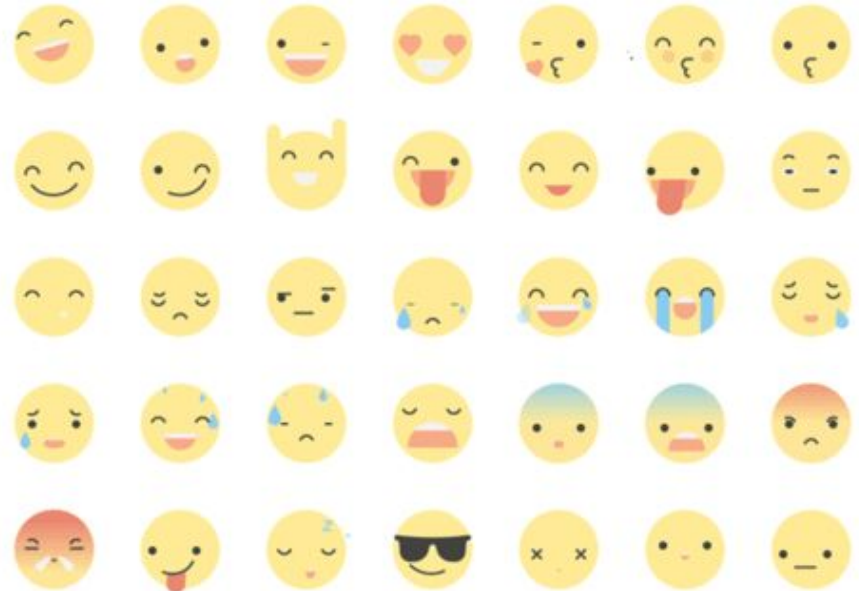

Application

Activities

Create your own emoji based on what you think the reaction of the cow or the carabao was when they saw they were in different skins.

MI: Visual/spatial

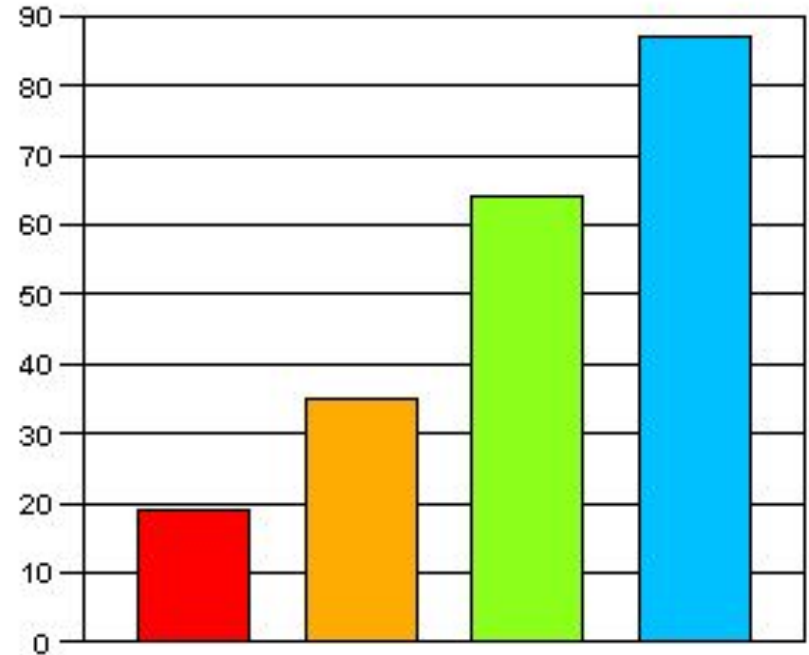

Analysis

Activities

Go around and ask your classmates if they prefer a cow or a carabao and why. Create a chart.

MI: Interpersonal/visual

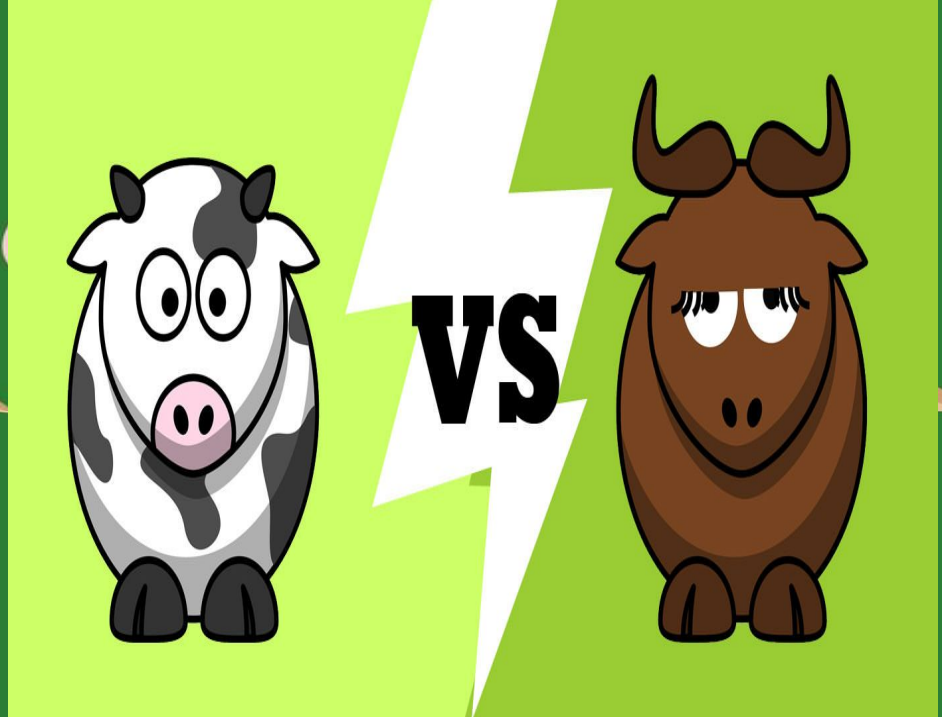

Analysis

Activities

Divide class into 2. Let team 1 make a poster about the cow and team 2 make a poster about the carabao. When done let them discuss the differences and similarities.

MI: kinesthetic/visual/interpersonal

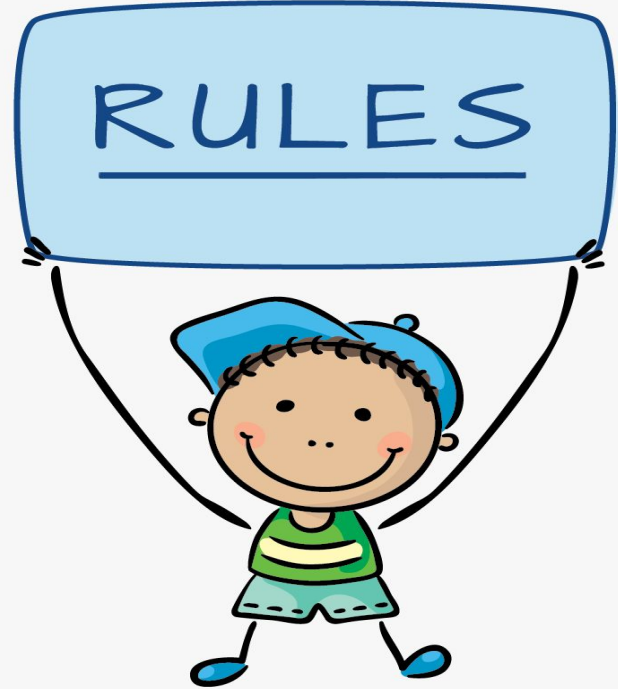

Synthesis

Activities

Make a booklet about your 5 rules of trust.

MI: Intrapersonal

Synthesis

Activities

Write your own legend dealing with animals.

MI: linguistic

Evaluation

Activities

Make a booklet about your 5 rules of trust.

MI: Visual/interpersonal

Evaluation

Activities

Form a panel to discuss views about how this legend seems “unrealistic.”

MI: Interpersonal

Bulletin Board

What's your favorite animal legend of Guam?

The Cow
and Carabao
Legend

The Giant Fish
That Ate Half
of Guam

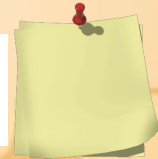

The Legend
of Sirena
the Mermaid

The Legend
of the
Hilitai

Read & write down your favorite animal legend and explain why.

Thank you :)
