*LeadingAge*<sup>®</sup>

NextStep is a state-approved CNA and long-term care worker Continuing Education (CE) provider. The online National COVID-Ready Caregiver Certification meets state requirements for 3 CNA CEU in 47 states including California (NAC7051, add CNA License # here: \_\_\_\_\_), Florida (#50-28398 CE provider, #20-090997 course), 3 long-term care worker CEU in Washington state (CO2034155) and for 3 Homecare and Personal Support Worker CEU toward Professional Development Certification safety or renewal as approved by the Oregon Home Care Commission. In Florida and California, this certificate must be retained by the CNA for a period of 4 years starting from the date of completion. Do not forward certificate to the Board of Nursing except by request.
