Assignment Grading Criteria

<b>Level of Achievement</b>	<b>General Approach</b>	<b>Comprehension</b>
<b>Exemplary 100%</b>	Addresses the question. States a relevant, justifiable answer. Presents arguments in a logical order. Uses acceptable style and grammar (no errors).	Demonstrates an accurate and complete understanding of the question. Backs conclusions with data and justifications. Uses 2 or more ideas, examples and/or arguments that support the answer.
<b>Adequate 75%</b>	Doesn't address the questions explicitly, although does so tangentially. States a relevant and justifiable answer. Presents arguments in a logical order. Uses acceptable style and grammar (1-2 errors).	Demonstrates an accurate but only adequate understanding of the question. Doesn't back conclusions with data. Uses only one idea to support the answer. Less thorough than above.
<b>Needs Improvement 50%</b>	Doesn't really address the question. States few relevant answers. Reveals some misconceptions. Is not clearly or logically organized. Errors in grammar and style	Doesn't demonstrate accurate understanding of question but tries. No evidence to support response to question.
<b>No answer 0%</b>
