***Early Childhood Education Practicum  
Practicum Rating Sheet***

Student: \_\_\_\_\_ Mentor: \_\_\_\_\_ Date: \_\_\_\_\_

At the end of the practicum experience, please rate the student on the following three (3) competencies:

- Circle one numerical value for each competency.

**COMPETENCY #1**

Numerical Value	Establish and maintain a safe and healthy environment for young children.
4	No safety or health hazards are observed while the student is working with children.
3	Only one or two safety or health hazards are observed while the student is working with children.
2	Three or four safety or health hazards are observed while the student is working with children.
1	More than four safety or health hazards are observed while the student is working with children.

**COMPETENCY #2**

Numerical Value	Develop and implement an integrated lesson and/or learning centers that incorporate two developmental areas of early childhood.
4	<ul style="list-style-type: none"> <li>• Includes two areas of development (physical, language, cognitive, creative, social and emotional).</li> <li>• Uses correct grammar and organizes paper well so that lesson can be duplicated.</li> <li>• Contains the following elements: objectives/skills, materials, instructions, assessment and follow-up.</li> <li>• Teaching method is developmentally and age appropriate.</li> </ul>
3	<ul style="list-style-type: none"> <li>• Addresses only one area of development.</li> <li>• Lesson plan is written with not more than three mistakes and easy to read.</li> <li>• Missing not more than three minor elements in the lesson plan.</li> </ul>
2	<ul style="list-style-type: none"> <li>• Addresses only one area of development.</li> <li>• Lesson plan is written with not more than seven mistakes. Paper lacks organization.</li> <li>• Fails to cite main objectives and/or leaves out major elements in lesson plan.</li> </ul>
1	<ul style="list-style-type: none"> <li>• Does not cover any areas of development.</li> <li>• Makes more than seven grammatical mistakes and the plan is not legible.</li> <li>• Leaves out the majority of elements in lesson plan.</li> <li>• Teaching method is inappropriate</li> </ul>

**COMPETENCY #3**

Numerical Value	Demonstrate basic knowledge of early childhood development and put into practice at the worksite.
4	No inappropriate or negative interactions with young children.
3	One or two incidents of inappropriate or negative interactions are observed while the student is working with the children.
2	Three or four incidents of inappropriate or negative interactions are observed while the student is working with the children.
1	Over four incidents of inappropriate or negative interactions are observed while the student is working with the children.
