*Curriculum Substitutions

Limited substitutions may be allowed in the Departmental Specialization, Operations Certificate, and Management Diploma curriculum programs. All substitutions must be pre-approved by the Educational Institute. Alternative AHLEI courses or courses from accredited, degree-granting institutions may be accepted if they are in the same subject area as the AHLEI course being replaced.

*Account executives work with academic institutions to develop a curriculum that best fits the school's program needs and that enables students to earn diplomas, certificates, or areas of specialization from AHLEI. Course substitutions outside of the listed titles may be allowed after consultation between the school and account executive.
