

## TECHNICAL ASSISTANCE WORKSHOP SURVEY

Completion of this survey instrument will help measure whether the Office of Planning and Development successfully provided information to clarify, expand, or corroborate your understanding of the subject matter.

Please mark or write a thoughtful candid response for each of the statements below. Survey responses shall remain confidential and used to strengthen the delivery of the topics discussed at the next technical assistance workshop.

| QUESTIONS  | Strongly agree | Agree | Neutral | Disagree | Strongly disagree |
|--|----------------|-------|---------|----------|-------------------|
| 1. Sufficient time was available to discuss the items listed on the agenda.  |                |       |         |          |                   |
| 2. The technical assistance workshop provided information you can use to develop a grant proposal.                                       |                |       |         |          |                   |
| 3. You gained a better understanding of "required and permissible use of federal funds to augment, strengthen, or support" your program. |                |       |         |          |                   |
| 4. The Resource Binder, handouts and PowerPoint presentation helped explain the subject matter.  |                |       |         |          |                   |

5. What subject or topic did you find the most interesting or helpful?

6. How were you made aware of this Technical Assistance Workshop?

7. How can we improve the next Technical Assistance Workshop?

THANK YOU FOR TAKING TIME TO COMPLETE THIS SURVEY.
