MONITORING REVIEW/APPROVAL PROCESS FOR COURSES

1. Course status can be monitored by going back into course via ACALOG. Click on Courses on the left hand side.

2. To access courses, utilize the **Course Filter**. Enter in following field(s); Prefix, Code or Number, and Type and click on Filter. This will bring up the existing course. Click on the course.

Respond	_					

10. Once your response is submitted, it will take you back to the **My Alerts** page. Click on the button **Show All Audit Events Alerts** and the alert just closed will show on the list. Click on **add a new audit event alert** associated with the course. Complete the audit event alert process and select the editor/manager who sent the original alert. This is how you respond if changes were requested. Failure to send an alert may result in a delay in process.
