## Roving Administrators FALL schedule

Guam Community College provides several security measures to ensure that our students have a safe learning environment while on campus. Other than providing security guards on campus, another security measure is providing an additional administrator to roam around campus during the evening hours. A copy of the [Roving Administrator Schedule](#) is attached for your usage. If you have any question, feel free to contact Student Support Services Office at 735-5555/6/8 or 688-1758.
