Jayne,

Sorry. Additional corrections below:

Attention:           COMPUTER LABS UPGRADE

The following computer labs are currently undergoing computer upgrades:

- A27, D2, D3 and D10. These rooms will be with computers running Microsoft Windows 7 Operating System and installed with Microsoft Office 2010.

Estimated completion date is on January 18, 2012 pending additional software installations and software adjustments.

Also, D4 and D5 open labs are now closed and have been moved to:

- Learning Resource Center, Room 4111, at the Library's first floor with 24 computers. This room is running Microsoft Windows XP and installed with Microsoft Office 2007.
- Student Center, Room 5213, second floor, with 48 computers. These computers are running Microsoft Windows 7 Operating System and installed with Microsoft Office 2010.

Thank you,

MIS Department

Cathy,

Don't we need to specify which computers have MS Office 2010 and which have the older version?
