Accreditation Midterm Report Feedback

A copy of the GCC Accreditation Midterm Report draft 2 and draft 3 have been posted to the Accreditation 2018 MyGCC site. [The third draft of the Midterm Report is linked here](#) and contains a complete draft of what the midterm report should look like per the ACCJC guidelines. Also, draft 3 addressed most of the recommendations (not all) made by the ALO on draft 2. Team recommendations 1 and 4 still need a lot of work as far as data is concerned but we feel draft 3 is sufficient enough to be distributed for further review. We hope to address some of the weak parts of the report based on the feedback received. The Office of Assessment, Institutional Effectiveness and Research (aier@guamcc.edu) will integrate your feedback to the next draft of the report, as necessary and appropriate. This draft is now open for campus input. Please review and provide your feedback during the October 1st thru 31st 2014 feedback collection period.

To access the Accreditation 2018 MyGCC site, please join the site by following [these instructions linked here](#). The Accreditation 2018 site is located under the Academic site category. For further assistance, please call Marlena Montague at 735-5520/735-5612/735-5641 or email aier@guamcc.edu.

Marlena O.P. Montague
Assistant Director
Assessment, Institutional Effectiveness & Research
