Hello everyone,

This is to share with you the assessment report for the Night Administration Duty initiative by the President. I thank Dr. Gina for spearheading the data collection, analysis, and write up for this report.

We can have this assessment report as an item for discussion at our President's Management Team retreat on July 19. [Esther, please include it in the agenda.]

I have also cc'd other relevant administrators so they are in the loop in this discussion.

Thanks,

R. Ray D. Somera, Ph.D.
