A faculty member may freely select the person(s) he/she wishes to invite to campus as guest speaker(s) provided the presentation relates to the subject of his/her course.

This agreement also recognizes Board Policy 460 on Academic Freedom, which is stated below:

WHEREAS, the Guam Community College Board of Trustees desires to promote and assure public understanding and support of academic freedom in the College; and

WHEREAS, institutions of higher education are conducted for the common good and not to further the interest of either the individual faculty member or the institution as a whole; and

WHEREAS, the common good depends upon the free search for truth and free exposition; and

WHEREAS, academic freedom is essential to these purposes and applies to both teaching and research; and

WHEREAS, freedom in research is fundamental to the advancement of truth; and

WHEREAS, academic freedom in its teaching aspect is fundamental for the protection of the rights of the faculty member in teaching and of the students in learning; and

WHEREAS, it carries with it duties correlative with rights.

NOW, THEREFORE, BE IT RESOLVED, that the Guam Community College Board of Trustees adopts as its policy the following statement on Academic Freedom:

The faculty member is entitled to full freedom in research and in the publication of the results, subject to the adequate performance of his/her other academic duties.

The faculty member is a citizen, a member of a learned profession, and an officer of an educational institution. When he/she speaks or writes as a citizen, he/she should be free from institutional censorship or discipline, but his/her special position in the community imposes special obligations. As a person of learning and an educational officer, he/she should remember that the public may judge his/her profession and his/her institution by his/her utterances. Hence he/she should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that he/she is not an institutional spokesperson.

This policy is subject to periodic review by the Board and the parties shall meet to negotiate the updated policy and thereafter incorporate it herein.

**ARTICLE VI - DEPARTMENTS  
FUNCTIONS, OPERATIONS, CHAIRPERSONS, ORGANIZATION**

**A. FUNCTIONS**

1. Departments are important units of faculty within the divisions of the College with common academic interests. Each department performs many diverse but interrelated functions to serve the College and its students, faculty, and staff. Functions of each department include: instruction, advisement of students, curriculum and program development, maintenance and assessment, orientation and assistance to individual department members, participation in the promotion of the department's programs, recruitment and retention of students, community relations, and service. In line with these functions and to ensure their success, all faculty shall be assigned to a department and all departments shall have a Chairperson, except for non-instructional faculty (as stipulated under D.1a of this article), other than career counselors (postsecondary and secondary). However, circumstances may arise where this may not be feasible. The Chief Negotiators of both parties will determine feasibility and agree on an outcome.
2. The College provides a variety of programs and services at many facilities throughout the island. The hours, days of the week, and dates for these activities are determined by the needs of students or organizations served and the capability of the departments to meet those needs. Accordingly, departments schedule and provide services in support of said programs at appropriate locations and hours within the constraints contained in this Agreement.
3. Departments serve to review, plan, and recommend action to the appropriate Dean on departmental matters including: departmental assessment; personnel requirements; personnel selection; department budget needs; work assignments and schedules; acquisition and maintenance of supplies, materials, and equipment. Departments make plans and decisions concerning the operations and activities of the department. Through the departmental organization, department members develop work schedules, activity calendars, work or service priorities, and other matters and submit the plans through the Department Chairperson to the Dean for approval. Department members are involved in all aspects of the department's operation.
4. Departments share with administration the responsibility for curriculum quality and the continuous evaluation and assessment of that curriculum. Proposals for new or modified curriculum may be made at any time in accordance with established College procedures.
5. Department members, as members of the College faculty, are encouraged to participate in college-wide committees and/or site school committees and otherwise participate in College events and activities. They are also encouraged to perform service to the community through involvement with outside community organizations.
6. Department members, in addition to other work responsibilities listed elsewhere in this Agreement and in Appendix A-Faculty Job Specifications, shall participate where applicable in the development, revision, and implementation of departmental assessment activities.
7. Department members share with the administration the responsibility for ensuring satisfactory performance on the part of all faculty. Thus, each department shall assist in the professional growth of its members and assess the performance of department activities as related to the department's assessment activities.
8. Departments must work toward ensuring adequate enrollment in courses and programs through recruiting endeavors, creating cohorts, and pursuing other activities to ensure that students have the opportunity to reach their educational goals.

This dialogue shall include the information necessary to determine its feasibility, transition processes, and possible implementation.

b. For Instructional Faculty members:

In the event either of the Chief Negotiators identify, based on institutional need, that faculty must be assigned to an administrator (see Article VI.A.1), both parties will begin the dialogue during the Spring semester. This dialogue shall include the information necessary to determine its feasibility.

This process does not require the convening of the Financial Exigency Committee.

- b. Evaluators should establish a system for keeping written records of direct observations, reports from other employees or administrators, and any information related to the work performance of faculty members. These records should include dates, times, places, persons involved, descriptions of behavior involved, and other specific data for future reference. Both positive and negative information should be recorded and the faculty member shall be informed of this information within a reasonable amount of time (See section C of this Article). The evaluator’s written record should be the basis for the annual evaluation in addition to evidence presented in the binder. This written record, within thirty (30) days of the completion of the appropriate Faculty Evaluation Plan (Percentage Form) (Appendix C) shall either be destroyed or made part of the official personnel file, except in cases where the annual evaluation result is “Needs Improvement” or a grievance of the performance appraisal process is filed.

**D. PERFORMANCE EVALUATION REVIEW**

The evaluator must set a specific time and place to meet with the faculty member to discuss the evaluation given to the faculty member on the appropriate Faculty Evaluation Plan (Percentage Form) (Appendix C).

1. The faculty member should be given the opportunity to discuss freely and make comments on the evaluation given by the evaluator.
2. The evaluator and the faculty member should concentrate on working together to improve performance in the future. Any action to be taken by the evaluator as a result of or relating to the evaluation must be made known to the faculty member at the conclusion of this meeting.
3. The Faculty Evaluation Plan (Percentage Form) (Appendix C) must be signed by both the evaluator and the faculty member. If the faculty member disagrees, in whole or in part, with the evaluation results, he/she is free to note his/her specific disagreement on the evaluation form at that time.
4. The affected faculty member has the right to file a grievance if he/she alleges incorrect application of the evaluation procedure or if the faculty member alleges that the evaluation was arbitrary, capricious, or under other circumstances which reflect bad faith on the part of the evaluator.

4. Any adverse action received during the Annual Performance Appraisal/Evaluation Period will result in a reduction of one (1) level from the Total Evaluation (i.e., a level of Strong will be reduced to a level of Satisfactory).

## **F. PERFORMANCE IMPROVEMENT PLAN**

1. As a result of an overall evaluation of "Needs Improvement," the faculty member and the evaluator will jointly develop a written Improvement Needed Plan (INP) (Appendix C) within thirty (30) duty days. This plan shall specify the actions and responsibilities for each party to be undertaken to bring about such improvements or performance necessary to achieve a rating of satisfactory. The plan shall identify a timeline for achieving satisfactory performance and dates for review and re-appraisal. Failure on the part of the faculty member to improve such performance to a satisfactory level shall cause a second rating of "Needs Improvement" to be assigned at the time of re-appraisal.
2. If the faculty member perceives that improvement of his/her performance would be significantly impaired by the evaluator/faculty relationship, the faculty member may provide justification and request that an alternative evaluator be appointed by the Vice President for Academic Affairs for the purpose of planning and implementing activities to improve performances.
3. In the event a faculty member, whose appraisal indicates "Needs Improvement" refuses to work with either the evaluator or an alternate to develop a performance improvement plan, the evaluator shall proceed to adverse action procedures, citing the reasons for doing so.
4. It is the faculty member's right to file a grievance if he/she alleges unreasonable requirements in the performance improvement plan.

a. Education leave provided the course of study or program is approved by the College President in advance. Initial leave and subsequent renewals are granted in units of

one (1) academic year. Lesser units are discouraged but may be considered subject to availability of qualified replacements, feasibility of reinstatement upon return from leave, disruption of classroom instruction and/or other College activities in mid-year, and other relevant considerations. Application for renewal of education leave must be accompanied by the individual's college transcript of credits and/or other records for the academic year just completed.

- b. Recovery from illness or disability not of a permanent or disqualifying nature, provided such illness or disability is certified by a physician.
- c. Military duty in excess of fifteen (15) days in one (1) fiscal year, provided the faculty member furnishes substantiating documentation of the requirement for additional military duty.
- d. Matrimony
- e. Other reasons which in the opinion of the College President are to the mutual benefit of the faculty member and the College; or would bring credit to the faculty member, the College, or both; or would enhance the Mission of the College; and which would not jeopardize its programs or create hardships to the students. Some examples are listed below.

(1) Community Service Leave:

Community service leave may be granted to a College faculty member for one (1) academic year or calendar year for the purpose of providing service to the community, either to another government agency or to a private institution. Leave extension may be granted at the discretion of the College President.

Such a service rendered outside the College which utilizes unique expertise or service of a faculty member which is made available by the granting of leave by the College is recognized as a valid part of the College's service to the community under the Standards for Accreditation.

(2) Special Project Leave:

Leave may be granted to a College faculty member for one (1) academic year or one (1) calendar year to participate in a special project or research in his/her field, or to enter employment in the private industry to update one's knowledge and skills in the latest technological development in his/her field. Leave extension may be granted at the discretion of the College President. Faculty participation and/or engagement in professional development special projects or other self-initiated programs is encouraged by the College as such programs are consistent with the Standards for Accreditation.

When a faculty member returns from a community service leave or a special project leave, he/she shall be entitled to a class of position and salary step equal to the position and salary step held at the time immediately prior to taking leave.

The period of leave taken shall count for the purpose of salary increments, but not for service time required for promotion, unless the project or endeavor, in and of itself, fulfills a specific criteria required for a promotion.

Other benefits of employment such as life, medical, dental insurance coverage, retirement coverage, etc. normally granted to regular active duty faculty member may be retained by the faculty member while on leave, provided that the faculty member pays all costs, both faculty member's and employer's shares, and provided that such arrangement meets the regulations of the administering authorities outside the College.

- a. A disabled veteran who is entitled to leave without pay, if necessary, for medical treatment; and
- b. Members of the Guam National Guard and Reserve Components of the United States Armed Forces who are entitled to leave without pay, if necessary, to perform military training and/or duties.

3. Considerations

The cost factor and administrative and instructional inconveniences to the College and its students are taken into consideration when evaluating requests for leave without pay. These factors include, but are not limited to, the following:

- a. Encumbrance of the position which precludes the College from filling the position through other than limited-term appointment, which limits the field of applicants only to those who are available and willing to accept temporary employment.
- b. Loss of services or continuity of services which may be badly needed by the College. The final consideration is the impact this action will have on the instructional program.
- c. Obligation of the College to provide employment to the faculty member upon expiration of the leave.
- d. Improvement on the part of the faculty member which will benefit the College.

**G. SABBATICAL LEAVE**

3. Misapplication or violation of GCC Academic Personnel Rules and Regulations.
4. Misapplication or violation of other Board policies.
5. Failure to respond within time limits at any step.

The declared objectives of all parties involved in a grievance are to encourage the prompt and informal resolution of such grievance and to provide recourse through orderly procedures. The parties agree that this is the exclusive procedure for the internal resolution of grievances. For the purpose of processing and adjusting a grievance, management recognizes each faculty member's right to representation by the Local.

### A. STEP ONE (DISCUSSION WITH DEAN)

Within ten (10) duty days of the faculty member becoming aware of the act or condition which is the basis for grievance, the faculty member and/or a Local representative shall meet with the Dean to attempt to resolve the complaint. Day one (1) begins on the next duty day after the faculty member became aware of the act or condition. Faculty are encouraged to resolve grievances in good faith through ongoing discussion with their division Dean without resort to a written grievance whenever possible. Should resolution not be achieved through these discussions, then the faculty member may move to Step Two.

### B. STEP TWO (APPEAL TO DEAN)

In the event the grievance is not resolved through ongoing discussion with the Dean in Step One, the faculty member shall submit the grievance, in writing, to his/her Dean within seven (7) duty days of the meeting with his/her Dean (as described in Step One) to discuss the act or condition which is the basis for the grievance.

The written grievance shall include:

1. Statement of the grievance
2. Statement of facts pertaining to the grievance
3. Specific provision(s) the grievant cites as being violated
4. Remedy sought, and
5. Date(s) informal adjustment was attempted.

The Dean shall communicate a decision, in writing, to the grievant, with a copy to the Local via the Local President, within seven (7) duty days of receiving the grievance.

### C. STEP THREE (APPEAL TO THE VICE PRESIDENT FOR ACADEMIC AFFAIRS)

If the grievant fails to receive a response within the time limit set forth in Step Two or the response of the Dean does not resolve the grievance, the grievant may appeal to the Vice President for Academic Affairs within seven (7) duty days of receiving the response.

The appeal shall include:

1. Copy of the written grievance as described in Step Two
2. Copy of the decision rendered at Step Two
3. Statement of the reason(s) for the appeal.

The Vice President for Academic Affairs shall communicate a decision, in writing, to the grievant, with a copy to the Local via the Local President, within seven (7) duty days of receiving the grievance.

**D. STEP FOUR (APPEAL TO THE COLLEGE PRESIDENT)**

If the grievant fails to receive a response within the time limit set forth in Step Three or the response of the Vice President for Academic Affairs does not resolve the grievance, the grievant may appeal to the College President within seven (7) duty days of receiving the response.

The appeal shall include:

1. Copy of the written grievance as described in Step Two
2. Copy of the decision rendered at Step Two and Three
3. Statement of the reason(s) for the appeal, and
4. Names of the two (2) faculty members selected by the grievant for Step Four Hearing Committee.

Within seven (7) duty days after the College President receives the appeal, he/she shall either settle the grievance by mutual agreement of the parties or refer the grievance to the Hearing Committee. The College President shall communicate the terms of the settlement or the referral of the grievance to the Hearing Committee in writing to the parties to the grievance with a copy to the Local via the Local President.

**E. STEP FIVE (REFERRAL TO THE GRIEVANCE HEARING COMMITTEE)**

The Grievance Hearing Committee shall be appointed by the College President for each grievance case and shall be composed of two (2) faculty members selected by the grievant, two (2) members of the administrative/supervisory level from a different division or unit, and a fifth member to be selected by the other four (4). The members of the Grievance Hearing Committee shall elect a chairperson from among their members.

The referral shall include:

1. Copy of the written grievance as described in Step Two
2. Copy of the decision rendered at Step Two, Three, and Four
3. Statement of the reason(s) for the referral.

The Grievance Hearing Committee shall meet within seven (7) duty days after receiving a grievance from the College President. The Grievance Hearing Committee will render a written decision on the grievance as soon as practicable.

The written decision shall include:

1. Statement of the problem
2. Findings of facts
3. Policies and procedures, and
4. Its ruling specific to the issue of the grievance.

The written decision of the Grievance Hearing Committee shall be considered an official decision when it bears the signatures of at least four (4) members of the Grievance Hearing Committee.

The College President and the Local via the Local President will be notified in writing within two (2) duty days of the closing of the hearing.

Should the decision not be accepted by either party, they may appeal the decision of the Grievance Hearing Committee to the Board. If the decision of the Grievance Hearing

Committee is accepted by both parties to the grievance, the decision shall be implemented and the matter closed.

**F. STEP SIX (APPEAL TO THE BOARD)**

An appeal shall be submitted in writing to the Board Chairperson within seven (7) duty days of receiving the decision of the Grievance Hearing Committee.

The appeal shall include:

1. Copy of the written grievance as described in Step Two
2. Copy of the decisions rendered at Steps Two, Three, Four, and Five
3. Statement of the reasons for the appeal, and
4. Statement of whether the appellant desires a formal or an informal hearing.

The Board shall acknowledge the receipt of the appeal at the next regularly scheduled meeting following the filing of the appeal provided that said appeal is filed no less than seven (7) duty days before the Board's regularly scheduled meeting. The Board shall schedule and conduct a hearing within fifteen (15) duty days of that Board meeting.

A formal hearing shall be conducted in accordance with the Rules of Procedure and Evidence in Appeal Hearings as adopted by the Board.

Prior to the Board reaching its decision, should the occasion arise, the Board or the Local may request the hearing be chaired by a mediator agreed upon by both the Board and the Local. Both parties agree that this request shall be honored. It is recognized that should a mediator be agreed upon, the timeline for a final decision may be affected and then be reasonably adjusted. Mediation fees shall be equally shared by both parties.

The decision of the Board shall be final and shall be communicated to the appellant and the Local, via the Local President, within seven (7) duty days following the hearing of the Board. The decision shall be implemented by the College President as soon as possible, but in no case, later than fifteen (15) duty days after the decision by the Board.

**G. GENERAL PROVISIONS**

1. The Local President must be notified of all grievances. The Local shall be notified of any adjustment(s) made to resolve a grievance.
2. The time limits may be extended only by mutual written agreement between the grievant and respondent stipulating new dates; except that the time limits in this procedure shall be extended for those grievants who are off-island or incapacitated for medical reasons for a period of time after the grievant returns not to exceed the total number of days allowed for the particular step the grievant was in before the absence.
3. If the grievance is not resolved by the last day of the semester, the procedure shall be suspended until the grievant's next duty day.
4. Failure at any step of this procedure to communicate a decision within the specified time limits permits the grievant to proceed to the next step.
5. Any written decision or written answer to an appeal made at any step which is not appealed to the succeeding step within the time limits provided shall be considered a final settlement of that grievance.
6. All papers filed in accordance with the grievance procedure shall be hand carried during working hours to the designated recipients and stamped received and dated at the location with a receipt for delivery for the originator. Electronic documents are not acceptable. Time limits shall commence to run on the day of delivery.
7. At any step of the grievance procedure either party shall have the right to call witnesses.

8. When an appeal is submitted at Step Six, there shall be no ex parte communication between the College President, the Local, or the grievant and any member of the Board.
9. The Local or its representative(s) may file a grievance where the violation alleged is one of Local rights or an alleged violation against a group of Bargaining Unit members.
10. The grievant may withdraw his/her grievance at any point in this procedure.

## ARTICLE XIV - COUNSELING (INFORMAL/FORMAL), DISCIPLINARY, AND ADVERSE ACTION PROCESS

### A. INTENT

The intent of this Article is to ensure that unacceptable conduct and performance issues are addressed promptly and appropriately. The parties agree that every effort shall be made to informally resolve problems relating to work performance of faculty members.

Furthermore, this Article sets forth the guidelines and procedures by which to informally, through counseling, and/or formally through disciplinary action address improper behavior and poor performance. Adverse action may be taken by the College President to suspend, demote, and dismiss faculty.

### B. DEFINITIONS

These definitions apply only to Article XIV.

1. Adverse Action – Action taken by the College President in the form of suspension, demotion, or dismissal.
2. Counseling – An informal meeting between the Dean and the faculty member to discuss work performance on an issue that might lead to disciplinary and/or adverse action.
3. Counting of Days – Time limits shall commence to run on the day following the date of the act, event, or delivery. When the tenth (10<sup>th</sup>) day falls on a non-duty day, the following duty day shall be the tenth (10<sup>th</sup>) day.
4. Days – As used in this procedure refers to calendar days unless otherwise specified.
5. Dean – For purposes of this Article, no Adverse Action, Letter of Reprimand, or Letter of Warning may be delegated to any other administrator or supervisor.
6. Demotion – The reduction of a faculty member for disciplinary reasons from a position which he/she occupies in a specific class to a position in another class where the maximum rate of pay is less than the maximum rate of pay for the class which he/she held or a reduction to a lower salary step in the same class.
7. Disciplinary Action – Action taken by a Dean in the form of a warning, admonition or reprimand; these disciplinary actions do not fall under the adverse action definition. As a result, adverse action procedures do not apply in the case of a warning, admonition or reprimand. This form of penalty is included to provide flexibility in administering disciplinary action for a first (1<sup>st</sup>) offense in certain types of actions.
8. Dismissal – The termination for cause of a faculty member from his/her position in accordance with the law and this Agreement.
9. Duty Day – Monday through Friday except school holidays and emergency school closing days declared prior to the start of the school day.

13. Reprimand – A formal written admonition of a faculty member.
14. Substantiated misconduct – Behavior outside the bounds of what is considered acceptable that is supported or established by evidence or proof.
15. Suspension – Either the temporary removal of a faculty member from his/her position with loss of pay as a disciplinary measure or his/her removal preliminary to investigation of charges pending adverse action. A faculty member cleared of charges shall be reinstated without loss of pay or other benefits. A faculty member may be suspended for not more

than thirty (30) days as a result of a single adverse action or not more than sixty (60) days as a result of multiple adverse actions in a calendar year.

16. Warning – A written admonition of a faculty member. A warning usually precedes a formal reprimand, depending on the infraction.
17. Working File – The file maintained by the Dean for each faculty member in their school for the purpose of evaluation, counseling, discipline, and/or adverse action of the faculty member.

### **C. COUNSELING PROCEDURE (INFORMAL PROCEDURE)**

1. Informal counseling shall take place at the first indication that a perceived problem is affecting a faculty member's performance. In the first counseling session, the Dean shall meet with the faculty member to discuss and clearly identify the faculty member's work performance/misconduct to the extent that the faculty member understands the work performance/misconduct for which the informal counseling is taking place. This counseling session may be arranged by telephone, email, or in person with the faculty member to discuss the issue and make suggestions for improvement. A Local representative may be present if the faculty member wishes. The Dean may document that the meeting occurred.
2. If applicable, during this counseling session, the Dean shall ensure that the faculty member understands that the discussion is an oral warning. The Dean may warn the faculty member of future potential consequences, and shall identify a timeline for improvement. If a record is made of this counseling for future reference, a copy shall be provided to the faculty member.
3. After the timeline for improvement indicated in the first (1<sup>st</sup>) informal counseling session has passed and the problem continues to persist, the Dean may request a second (2<sup>nd</sup>) counseling session with the faculty. For this session, a written one (1) day notice of the meeting will be given to the faculty member. Such notice shall indicate the reason for the meeting and that the faculty member may be accompanied by a Local representative. During this counseling session, the Dean will give the faculty member a written description of what is to be improved and a time limit for the improvement to be made. This meeting will be documented and a copy shall be provided to the faculty member and shall not be made a part of the faculty member's Official Personnel File.

If after the prescribed time limit from the second (2<sup>nd</sup>) counseling has not been met, if the Dean chooses to take disciplinary action, such action shall follow the guidelines listed in sections D.1-10 of this Article. If any disciplinary action is taken, all documents relevant to this issue shall be made a part of the substantiating documents for use in the disciplinary action procedure.

4. If no further action is taken at this stage, then all documents shall be destroyed immediately.

### **D. GUIDELINES FOR DISCIPLINARY OFFENSES AND PENALTIES**

1. Disciplinary Action: This is used after counseling has failed or in cases where the issue warrants immediate disciplinary action. The Dean will request a meeting with the faculty member in writing with at least one (1) day notice. Such request will include the reason for the meeting and inform the faculty member that they may be accompanied by a Local representative.
2. At this meeting, the Dean will discuss the situation with the faculty member and give the faculty member the opportunity to respond. At the conclusion of this meeting, the Dean may determine whether to issue a Letter of Warning or a Letter of Reprimand, if warranted.
3. The Dean shall prepare the Letter of Warning or Letter of Reprimand and serve the letter to the faculty member, where practical, in person.

4. If a Letter of Warning was issued and the problem persists, the Dean will request a meeting with the faculty member in writing with at least one (1) day notice. Such request will include the reason for the meeting and inform the faculty member that they may be accompanied by a Local representative.
5. At this meeting, the Dean will discuss the situation with the faculty member and give the faculty member the opportunity to respond. At the conclusion of this meeting, the Dean may determine whether to issue a Letter of Reprimand or may decide to move to adverse action, if warranted.
6. If the Dean determines to issue a Letter of Reprimand, he/she shall prepare the Letter of Reprimand and serve the letter to the faculty member, where practical, in person.
7. If the Dean determines to move to adverse action, he/she shall follow the process in sections E.1-11 of this Article.
8. Written disciplinary actions shall be filed in the faculty member's Official Personnel File and may be filed in a Working File. Disciplinary actions shall not remain in either the Official Personnel File or a Working File for more than one (1) year.
9. A faculty member has the right to review both his/her Official Personnel File and his/her Working File.
10. The Official Personnel File and Working File shall be maintained in a manner that is consistent with the requirements of the Personnel Rules and Regulations for the maintenance of official personnel files.

#### **E. ADVERSE ACTION PROCEDURE**

The adverse action or due process procedure guarantees the protection of individual rights in those matters where the Dean chooses to initiate adverse action proceedings such as dismissal, demotion, or suspension against the faculty member. For the purpose of this Article, the term "dismissal" shall not be interpreted to include actions taken by the College President in layoffs, or termination of probationary employee.

##### **1. Authorized Causes for Adverse Action**

A faculty member of the College may be subject to adverse action for misconduct which affects the efficiency of service to the College or of such a nature as to bring discredit to the College or his/her employment. For guidelines on disciplinary offenses and penalties see Appendix H.

2. Notice of Proposed Adverse Action

The Dean may initiate proposed adverse action to be taken against the faculty member, provided that the faculty member receives written notice either directly by hand or by certified mail with return receipt requested. The Notice of Proposed Adverse Action shall include:

- a. The specific charges preferred against the faculty member;
- b. A description of the proposed adverse action;
- c. The documentation forming the basis of the proposed action;
- d. A statement of all previous steps taken by the College to resolve the problem; and
- e. Notice of the right to respond.

A faculty member must be given the final notice and statement of the charges prescribed in E.5 of this Article, signed by the College President, no later than sixty (60) days after management knew or should have known the facts or events which form the alleged basis or cause of action.

3. Right to Respond

After receiving the Notice of Proposed Adverse Action from the Dean, the faculty member is entitled to respond to the charges upon which adverse action is proposed by the Dean. The faculty member against whom adverse action is proposed shall be allowed ten (10) days after receipt of the notice to answer the charges, in writing, and to submit affidavits and/or documents in support thereof. In answering, the faculty member may request a conference with the Dean within the same ten (10) days at which time the Dean shall make himself/herself available.

The Dean shall review the written answer and supporting documents submitted by the faculty member, and shall notify the faculty member in writing of his/her decision within ten (10) days after receipt of the faculty member's response to the proposed adverse action as to whether he/she will drop the charges in light of the faculty member's response or whether he/she will continue with the adverse action in spite of the faculty member's answer.

If the faculty member fails to answer the charges during the specified time limit, the faculty member's failure shall be construed as an answer and the Dean may proceed with the action upon expiration of the notice period.

4. Institutional Authority for Adverse Action

The final authority for dismissal, demotion, or suspension of a faculty member rests with the College President. Any adverse action initiated by the Dean is considered a recommendation only.

Any recommended adverse action originating from a Dean must be signed by the Vice President for Academic Affairs and forwarded to the College President for his/her decision, including all documents submitted by the faculty member relating to the case. At his/her discretion, the College President may conduct an inquiry or investigation into the charges and proposed adverse action, including calling a meeting with the faculty member concerned. The College President may decide to uphold, modify, or drop the charges and the proposed adverse action.

5. Final Notice of Adverse Action

A faculty member who is dismissed, demoted, or suspended shall be given written notice of the action by the College President within ten (10) calendar days of the Dean's recommendation that adverse action be taken against the faculty member. The notice shall be dated; state the specific facts found upon which such action is based; inform the faculty member of his/her right to appeal; and inform him/her of the time limit within which an appeal may be submitted as provided in E.6 of this Article.

Copies thereof shall be filed with the Board and Local not later than one (1) duty day following the effective date of the action. In no event may a faculty member be given the notice and statement of the charges required by this section E.5 after the sixtieth (60th) calendar day after the Dean knew or should have known the facts or events which form the alleged basis for such action. Any action brought by management in violation of this provision is barred and any decision based on such action is void.

Except for extenuating circumstances, the adverse action for suspensions of more than ten (10) days shall not take effect until the appeal to the Board has been completed.

6. Right to Appeal

The faculty member, within twenty (20) days of the effective date of the action, may appeal to the Board by filing his/her written answer to the charges against him/her. The faculty member, or his/her representative, shall be given the opportunity to inspect or provide any documents relevant to the action which would be admissible in evidence at the hearing, and to depose, interview or direct written interrogatories to other employees having knowledge of the acts or omissions upon which the adverse action is based.

An appeal shall be submitted in writing to the Board Chairperson.

The appeal shall include:

- a. Basis for the Appeal;
- b. Documentation relevant to the adverse action;
- c. Other relevant and material evidence and names of witnesses.

The Board shall acknowledge the receipt of the appeal at the next regularly scheduled meeting following the filing of the appeal provided that said appeal is filed no less than seven (7) duty days before the Board's regularly scheduled meeting. The Board shall schedule and conduct a hearing within fifteen (15) duty days of that Board meeting.

A formal hearing shall be conducted in accordance with the Rules of Procedure and Evidence in Appeal Hearings adopted by the Board. Prior to the Board reaching its decision, should the occasion arise, the Board or the Local may request the hearing be chaired by a mediator agreed upon by both the Board and the Local. Both parties agree that this request shall be honored. It is recognized that should a mediator be agreed upon, the timeline for a final decision may be affected and then be reasonably adjusted.

The decision of the Board shall be final and shall be communicated to the appellant and the Local, via the Local President, within seven (7) duty days following the hearing of the Board. The decision shall be implemented by the College President as soon as possible, but in no case, later than fifteen (15) duty days after the decision by the Board.

The appeal process does not have a delaying or staying effect on the adverse action except as specified in section E.5 of this Article. In the case of a faculty member who is suspended or dismissed, the Board may order the faculty member reinstated to active duty pending the appeal.

7. Standards for Making Decisions on Appeal

Upon the hearing of any adverse action appeal, the burden of proof shall be upon the College to show that the action against the faculty member was correct.

8. Suspension During Notice Period

As a rule, a faculty member against whom adverse action is proposed is retained in active duty status during the notice period. However, the faculty member may be immediately suspended by the College President during the notice period under the conditions listed below:

- a. The continued presence of the faculty member may interfere with the efficient operation of the College, or the health or safety of the faculty member or other employees.
- b. Suspension is necessary to preclude the possibility of deliberate damage to equipment, property or important documents.
- c. Other circumstances, including the faculty member's own misconduct or behavior, which create an impediment to the College's ability to comply with the requirement to retain the faculty member on active duty status during the notice period.
- d. Suspension under this section is a separate adverse action and it is appealable to the Board within twenty (20) days of the effective date of the immediate suspension. If the Board sustains the College President's action in suspending the faculty member during the notice period, the number of days of suspension under this section shall be considered part of the final disciplinary penalty and in no case shall the final days of suspension be more than thirty (30) duty days.

9. Leave Pending Investigation

The College President may authorize administrative leave of absence with pay to a faculty member who is the subject of an investigation of criminal act allegation and where the continued presence of said faculty member on the job will hamper the effectiveness of the investigation. The administrative leave granted under this section may not exceed twenty (20) duty days. The College President may terminate the administrative leave by giving the faculty member twenty-four (24) hours written notice.

10. Faculty Member's Status During Incarceration

- a. A faculty member who is incarcerated pending disposition of a case by the court may be granted personal leave with pay or leave without pay or a combination thereof. See also Article XII-Leave.

- b. Nothing in this rule shall preclude the College President from taking adverse action against the faculty member pending the faculty member's case in the court, during the imprisonment of the faculty member, or upon dismissal of the case by the court, if the faculty member's action or omission violates the College's policies, rules or regulations. The sixty (60) day time limit in which to notify the faculty member of the charges brought against him/her is also applicable in this situation.
- c. A faculty member who is sentenced to imprisonment by the court for a felony crime committed by the faculty member, regardless of whether the crime is against the College or not, may be dismissed from his/her employment in the College.

11. Attorney Fees

- a. A faculty member whose appeal is upheld by the Board shall have fifty (50%) of all attorney fees paid by the College.
- b. A faculty member whose appeal is not upheld by the Board shall pay fifty (50%) of all attorney's fees incurred by the Board.

**F. GENERAL INFORMATION**

1. The lists embedded in this Article and Appendix H are not intended to cover every possible type of offense. Penalties for offenses not listed will be prescribed by the College President.
2. Many items listed on this schedule combine several offenses in one (1) statement, connected by the word "OR." Usage of the word "OR" in a charge makes it non-specific. Use only the items which describe the faculty member's actual conduct and leave out parts which do not apply.
3. Penalties for disciplinary offenses will, in general, range from the minimum penalty to the maximum indicated. In unusual circumstances, depending on the gravity of the offense, the past record, and the position of the faculty member, a penalty outside the general range may be imposed. If such a penalty is being considered, the faculty member shall be informed at the time of the notice of proposed adverse action.
4. Suspension penalties apply to duty days and holidays.
5. In as much as a reprimand is not an adverse action under this Agreement, a Dean need not apply the Adverse Action Procedures. The penalty of reprimand is included in Appendix H to provide certain flexibility for management discretion to institute progressive disciplinary action against a faculty member.
6. Reprimands shall not remain in a faculty member's Official Personnel File for more than one (1) year.
7. The Grievance Procedure is available to any faculty member who wishes to challenge a disciplinary action against him/her. However, the challenge does not have a delaying or staying effect on the disciplinary action.
8. A faculty member has the right to review both his/her Official Personnel Files and his/her Working File.
9. Deans shall not correct or criticize a faculty member in the presence of students or other supervisors unless such others are present at the request of the faculty member.
10. Any and all communications under this Article shall be considered personal in nature and all official documents pertaining to or copies of shall be deemed as confidential.

**ARTICLE XV - FINANCIAL EXIGENCY / REDUCTION-IN-FORCE**

**A. INTENT**

The Board recognizes that it is in the best interest of the College to promote stable employment for faculty at the College. The Board also recognizes that the existence of a financial exigency or a need for reduction-in-force is a serious circumstance. The Board agrees that a reduction-in-force shall be taken only as the final step of a planned process.

If the College President, with the concurrence of the Board, determines that circumstances exist which could ultimately require laying off faculty, the College President shall initially convene a Financial Exigency Committee or the Faculty Reduction-in-Force Committee in the case of other circumstances as defined below (Article XV.B.4). The College President is responsible for administering the financial exigency or reduction-in-force procedures.

**B. DEFINITIONS**

These definitions shall apply only to Article XV:

1. Demotion – a voluntary change in position to a position with a lower salary.
2. Financial Exigency – a reduction in College expenditures due to a reduction in the College budget that is beyond the control of the College.
3. Layoff – the involuntary termination of employment as a result of reorganization, lack of work, or lack of funds.
4. Other circumstances – instances involving program deletions or cutbacks due to prolonged diminished enrollment or prolonged inability to hire sufficient faculty members in a program, program deletions or cutbacks as a result of well documented changing island needs, and/or the reorganization of degree or curricular offerings or requirements resulting from a change in the Mission, academic requirements of the College, or technological changes. Instances such as these involve changes occurring over the course of more than one (1) academic year.
5. Reduction-In-Force – the laying off of faculty.
6. Reduction in Salary – a reduction in salary without a change in position.
7. Transfer – the lateral movement of a faculty member within the College without any change in position title or salary.
8. Inter-agency transfer – the movement to a different department or agency in the Government of Guam.

**C. PLANNING FOR FINANCIAL EXIGENCY**

**FINANCIAL EXIGENCY COMMITTEE**

The purpose of this Committee will be to determine whether or not a true financial exigency exists. It will also be tasked with finding and recommending solutions to the perceived exigency which may include a recommendation for a college-wide Reduction-in-Force. Any finding or recommendation identified by the Financial Exigency Committee that includes any provision of section D of this Article shall not be implemented without the convening of the Reduction-in-Force Committee with the exception of the following, and using the Agreement to Alternative Assignment form (Appendix D):

1. Reprogramming of college-wide budget, or
2. Shared load between departments and/or programs, or
3. Reassignment to another department and/or program, or
4. Supplement assigned duties with alternative duties, or
5. Transfer within the College: A faculty member may elect to temporarily transfer to another comparable vacant position in the College, where qualified.

The Financial Exigency Committee shall include an equal number of faculty and administrators (inclusive of the Local President and the Vice President for Finance and Administration) mutually agreed upon by the Local President and the College President. The Vice President for Finance and Administration and the Local President will serve on this Committee as Co-Chairpersons.

Any other committee or body formed to carry out these duties and/or similar functions may be construed to be an attempt to bypass this procedure. However, through an assessment process, should it be determined that a program needs to be deleted and/or reduced, the same process used in sections D.4 and E of this Article shall be used in determining the disposition of the faculty within that program. This process does not require the convening of the Financial Exigency Committee.

#### **D. PLANNING FOR A REDUCTION-IN-FORCE**

##### **FACULTY REDUCTION-IN-FORCE COMMITTEE**

If the Financial Exigency Committee recommends that a reduction-in-force is necessary or other circumstances as defined in section B.4 of this Article, the College President, with the concurrence of the Board, may convene a Faculty Reduction-in-Force Committee.

When the College President convenes the Faculty Reduction-in-Force Committee, the College President shall suspend hiring for all faculty positions in order to ensure that all available alternatives are exhausted. The College President shall ensure that the Committee has the resources necessary to function efficiently and effectively.

The Committee shall include an equal number of faculty and administrators (inclusive of the Local President, the Human Resources Administrator, and the Vice President for Academic Affairs) mutually agreed upon by the Local President and the College President. By mutual agreement, additional faculty and administrators may be added to the committee, but under all circumstances, membership will be equal between administration and faculty.

The Committee shall meet within five (5) duty days of being convened by the College President. The Committee shall be dedicated to achieving consensus when conducting the business of the Committee. The Committee shall review all available alternatives to reduction of faculty, and then, if no alternative exists, the Committee will formulate a Faculty Reduction-in-Force Plan (Plan) and convey its recommendation(s) to the College President within forty-five (45) calendar days of its convening. The Committee shall ensure that:

1. The Vice President for Academic Affairs and the Local President shall serve as Co-Chairpersons and that minutes are kept and made available for review by faculty and administrators.
2. The Plan is based on an appropriate analysis of relevant information, including, but not limited to: program needs, enrollment patterns and projections, efficiency of the program, program staffing requirements, current level of support and future program plans, assessment, and college planning documents.
3. The Plan examines the programmatic needs of the College and that faculty staffing essential to each program has been determined.
4. The Plan does not require layoff of faculty until the alternatives listed below have been considered, and if deemed feasible, attempted:
  - a. Shared load between departments and/or programs, or
  - b. Reassignment to another department and/or program, or
  - c. Supplement assigned duties with alternative duties, or
  - d. Demotion: A faculty member may elect to accept a demotion to a position with a lower salary provided funds are available, or
  - e. Reduction in Salary: A faculty member may elect to accept a reduction in salary, or

- f. Transfer within the College: A faculty member may elect to transfer to another comparable vacant position in the College, or
  - g. Inter-agency Transfer: A faculty member may elect to seek a position outside of the College within the Government of Guam. In this case, such a transfer shall be considered a layoff for the purpose of reinstatement at the College, or
  - h. Early retirement: A faculty member may elect to retire from the College, or
  - i. Involuntary transfers, demotions, or reduction in salary: The College may use involuntary transfers, demotions, or reduction in salary to ensure stable employment for the faculty, or

  - k. Reprogramming of college-wide budget.
5. The Plan identifies the program(s) from which faculty will be laid off.
  6. The Plan is reviewed by the Faculty Senate and the College Governing Council and their written comments and/or recommendations are appended to the Plan.

**E. IMPLEMENTATION OF THE FACULTY REDUCTION-IN-FORCE PLAN**

The Committee presents the Plan to the College President. If the College President does not concur with the Plan, the Plan is returned to the Committee for revision. **SECTION E – SECONDARY NON-INSTRUCTIONAL**

## ARTICLE XXII-SECONDARY NON-INSTRUCTIONAL FACULTY WORKLOAD

### A. TIME OF SERVICE

#### GENERAL STATEMENT

Faculty are professionals and as such, they are expected to exercise appropriate discretion in the performance and scheduling of their workload.

Faculty develop workloads in collaboration with their peers in their department, their Department Chairperson, and Dean. Faculty workloads are crafted to ensure that qualified faculty are assigned to meet student needs and that faculty are accessible.

Specific assignments (including office hours) will be discussed and agreed upon between the individual faculty and his/her respective Department Chairperson and Dean and will be identified in the Faculty Load Schedule (Non-Instructional) (Appendix D).

### B. WORKLOAD/RESPONSIBILITIES

The faculty workload is described in detail in his/her Faculty Load Schedule (Non-Instructional) (Appendix D). The faculty workload is comprised of work assignments scheduled by the College and work assignments scheduled by individual faculty members. Faculty work assignments include those duties and responsibilities described in Appendix A-Faculty Job Specifications for each faculty rank.

Therefore, faculty shall meet the minimum requirements established in the Appendix A-Faculty Job Specifications for non-instructional faculty when assigned a workload. Faculty workloads include activities described in Appendix A-Faculty Job Specifications for each faculty rank.

In the event that a secondary faculty member gives a timely notice of intent to retire, (i.e. no less than one (1) semester in advance) during the academic year, the faculty member, Department Chair, Dean, and Human Resources Administrator shall have the option to plan and develop an approved alternative assignment.
3. Assignment Procedures  
Should the need arise an alternative assignment will be developed collaboratively by the faculty member, his/her Department Chairperson, and the Dean. Alternative assignments are described in writing and require the mutual written agreement of the faculty member and the appropriate Dean.

**ARTICLE XXV – YEAR-ROUND EDUCATION (YRE)**

The Board and Local agree to convene as allowed for in Article XXVI-Sole Agreement at a mutually agreed upon date (members to be determined by Chief Negotiators) to consider the feasibility of and/or process for implementing Year–Round Education (YRE) that will include Fall, Spring, and Summer to address student completion of their chosen educational pathway.

## ARTICLE XXVI - SOLE AGREEMENT

The provisions of this Agreement constitute the full, complete and sole Agreement between the Local and the Board.

This Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary and mutual consent of the parties in a written and signed amendment to this Agreement. If either party to this Agreement desires to modify or amend any Article thereof, written notice will be given at least sixty (60) calendar days in advance, unless both parties agree to less notification. Any substantive change, alteration, addition, modification, deletion as mutually agreed upon by the Chief Negotiators will require a meeting of the negotiating teams to be held to determine any and all Articles affected by the changes desired and subject to Local ratification and Board approval.

This Agreement shall modify or replace, for members of the Bargaining Unit, the effect of any policies, rules, regulations, or procedures of the Board which shall be contrary to or inconsistent with any provisions of this Agreement, and shall supplement any policies, rules, regulations or procedures consistent therewith.

During the life of this Agreement if any laws or executive orders, rules and regulations or policies of the Board, or directives of the College President are enacted/promulgated that are related to any provision of this Agreement and that are beneficial to the faculty, such regulations, policies, or directives shall prevail.

Nothing in this Agreement shall require any party to take any action or do anything that will constitute a violation of the law.

The parties agree that neither the Board, nor any employee of the College, nor the Executive Council of the Local, nor any faculty member of the Local shall intentionally violate any provision of this Agreement.

The parties agree jointly to support any legislation or administrative action necessary to implement this Agreement.

## ARTICLE XXVII - SAVINGS CLAUSE

The provisions of this Agreement are severable, and if any provision of this Agreement is determined by a court or arbitrator of competent jurisdiction or agreed by the parties to be invalid, void or unenforceable, this shall not affect the validity or enforceability of the remainder of this Agreement. The parties agree to negotiate in good faith as soon as possible for a proper amendment to this Agreement in the event any provision hereof is declared illegal, invalid, or unenforceable, subject to Local ratification and Board approval.

## **ARTICLE XXVIII - MAINTENANCE OF OPERATIONS**

It is recognized that the need for continued and uninterrupted operations of the College is of paramount importance and that there should be no interference with such operations.

Both parties recognize the duty and obligation to comply with the provisions of this Agreement.

The Local agrees that neither the Local, or any person acting on behalf of the Local, will cause, authorize, engage in, sanction, nor will any of its members take part in, at the request of the Local, a strike against the College, or the concerted failure to report for duty, or willful absence from his/her duties of employment. Nothing contained in this Agreement shall be construed to restrict or limit the Board or the Local in its right to seek and obtain such judicial relief as it may be entitled to have under law for any violation of this or any other Article, and to take such action as it deems necessary to discipline and/or discharge any employee for violation of this Article.

The Board agrees that with regard to a declared emergency and decision made therein, the Board will consult with the Local with regard to the effects upon this Agreement.

An emergency is considered an Act of God, a natural disaster, or other dire interruption of the College program (a dire interruption does not include strike by other employee organizations or students).

It may happen that a portion of this Agreement, in whole or in part, cannot be implemented or upheld as the result of the direct, immediate, and exclusive operation of the forces of nature, uncontrolled or uninfluenced by the power of humans, and without human intervention, which is of such a character that it could not have been prevented, or avoided by foresight or prudence. Such forces of nature include, but are not limited to, wars, civil insurrection, earthquakes, typhoons, and the sudden illness or death of a person. In these cases, the Agreement still applies, but timelines may be altered by the circumstances.

**ARTICLE XXIX - DURATION**

The intent of Interest-Based Bargaining is to create a permanent collaborative relationship between the College’s Faculty and the Administration. Therefore, the Board and the Local recognize that the spirit of this Agreement calls for a serious collaborative effort to work out issues that will arise in the implementation of this Agreement.

The life of this Agreement is defined as the beginning of Fall semester 2017, or upon approval by the Chief Negotiators of both parties, until the beginning of Fall semester 2023. This Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary and mutual consent of the parties in a written and signed amendment to this Agreement. If either party to this Agreement desires to modify or amend any Article thereof, written notice will be given at least sixty (60) calendar days in advance, unless both parties agree to less notification.

This Agreement may be extended by mutual agreement. In the event that negotiations are not completed before the beginning of Fall semester 2023, this Agreement will remain in effect until a new Agreement is reached.

This Agreement may be modified or amended, as needed in accordance with Article XXVI, Sole Agreement. If either party gives such notice to the other, the parties shall meet to set up rules for negotiations to modify or amend the Agreement. Signed and entered:
