Note: The Medical Assisting Education Review Board (MAERB) is independent of AAMA in matters of accreditation. CAAHEP is the accrediting agency.

July 11, 2013

Barbara C. Mafnas, RN, LCCE  
Medical Assisting Program Director  
Guam Community College  
P.O. Box 23069  
Barrigada, GU 96921

Dear Ms. Mafnas:

The Medical Assisting Education Review Board (MAERB) has reviewed the outcome results on your 2012 Annual Report Form (ARF) and congratulates the Certificate Medical Assisting program at Guam Community College in Barrigada, Guam, on meeting the retention, job placement, graduate survey, and employer survey outcome thresholds for the most recently-reported year.

Please note that, with the 2010 ARF (2009 Graduates), the MAERB began to monitor your data regarding the exam threshold (i.e. 70% of the program's graduates must pass one of the nationally-accredited certification exams).

The following credentials are currently NCCA accredited:

- CMA (AAMA)
- RMA (AMT)
- NCMA (NCCT) – if passed after November 30, 2010
- CCMA (NHA) – if passed after February 1, 2011

Since the Certificate Medical Assisting program at Guam Community College in Barrigada, Guam, has met all of the required outcomes, you are not required to provide any further information for this reporting period. Again, congratulations for your continued efforts in producing quality medical assistants, as demonstrated by meeting all of the outcome thresholds.

Sincerely,

Cheryl B. Startzell, CMA (AAMA), MA, MAERB Chair
