 - Throughout the year COPSA held students activities.
 - COPSA guides the work of recognized GCC Student organizations.
 - COPSA regularly holds General Membership meetings where students are given the opportunity to discuss any concerns they may have related to the college.
 - Thereafter, the COPSA President formally submits the concerns, via email, to the Program Specialist of the Center for Student Involvement, who then forwards the concerns to the respective offices that can address each concern. During the subsequent COPSA General Membership meetings, the resolutions and/or updates to the concerns are reported and discussed.
 - Several COPSA officers serve as committee members of the following Institutional Committees:
 - Resources, Planning and Facilities Committee
 - College Governing Council
 - Occupational Safety & Health / American Disability Act (ADA) Task Force
 - Banner Committee

At all COPSA General Membership meetings, the student representative(s) on the committees mentioned above are given the opportunity to report any updates that may be of interest or concern to the students. COPSA General Membership meeting minutes reflect these reports and are disseminated to all attendees. Electronic copies of the meeting minutes are also available on the MyGCC Portal under the COPSA page on Sites.
