

GCC Math Courses Need Survey

Answers marked with a * are required.

1. Spring 2015 Math Courses Need Survey

In order to build a better schedule to meet the needs of GCC's students, the math department needs your input and responses to this important survey. This survey will give us a better estimation of the number of math classes that may be needed in Spring 2015. Therefore, your honest responses to these questions are highly appreciated.

1. Course that you are taking in this semester: *

- ☐ MA085 - Fundamental Mathematics
- ☐ MA095 - Pre-College Mathematics
- ☐ MA107 - Math for Trades
- ☐ MA108 - Intro College Algebra
- ☐ MA110a - Finite Mathematics
- ☐ MA161a - College Algebra and Trig I
- ☐ MA161b - College Algebra and Trig II
- ☐ I am not taking any math course
