

## Science Classes Need Survey

Answers marked with a \* are required.

### 1. GCC Spring 2015 Science Classes Need Survey

In order to provide **student-centered education** as stated in the college's mission statement, the Science Department needs your input to build a schedule that will meet your needs. Please answer each of the following questions with the best of your knowledge and judgement. Thanks.

1. Which program (associate or certificate) are you majoring in?

2. Which science course(s) that you will need to meet the requirements of your program?

(You may select more than one course.)

- ☐ SI101 - Introduction to Chemistry with Lab
- ☐ SI102 - General Chemistry with Lab
- ☐ SI103 - Marine Biology with Lab
- ☐ SI110 - Environmental Biology with Lab
- ☐ SI130a - Anatomy & Physiology I with Lab
- ☐ SI130b - Anatomy & Physiology II with Lab
- ☐ SI141 - Applied Physics I
- ☐ SI142 - Applied Physics II
- ☐ SI150 - Microbiology with Lab

3. Which science class that you plan take in **Spring 2015**?

(Select **ONE** only)

4. Which time slot that best fits into your schedule?

Please note:

4-credits class - 120 minutes per class meeting

3-credits class - 90 minutes per class meeting

- ☐ 8am-10am
- ☐ 10am-12pm
- ☐ 12pm-2pm
- ☐ 2pm-4pm
- ☐ 4pm-6pm
