Oct. 4 Planned Power Outage

Two separate planned power outages are scheduled for October 4 and October 11, 2014 starting at 7:30A. These outages are essential to redistribute power campus-wide, to bring a new transformer online, and to energize building 200. To preserve instructional hours, GCC staff will work to relocate classes located in the affected areas to classrooms at buildings 3000, 4000, or 6000.

Information regarding generators and as it relates to the October 4 planned outage:

- Building "D" generator will automatically turn on and will be operational.
- Building 400 generator is and will NOT be operational. Plans must be made to deal with the freezer located in building 400.
- Building 1000 generator is and will NOT be operational. Telephone system will be down campus-wide.
- Pump generator is and will NOT be operational.

October 4 outage schedule is as follows:

7:30A to noon:

- Areas affected: Buildings A, B, C, D, 100, 200, 300, 400, 500, 600, 1000, 2000, water tank pumps, BCS Café, and GPD Crime Lab will be affected by the outage.
- Impact: Approximately 143 telephone lines will NOT be operational throughout the campus. Internet or wired and wireless network access at buildings 100, 200, 300, 400, 500, 600, 1000 and 2000 will NOT be available (e.g., Internet, MyGCC portal, email, Banner, Moodle, etc.).
- Refrigerators, freezers, water, and ACs will be down.

- If all goes as planned, by noon power will be energized at buildings A, B, C, 100, 200, BCS café, 1000, 2000 and GPD Crime Lab.

1:00 - 5:00 PM: Work continues with power outage at buildings 400, 500, and 600.

- Impact: Some telephone lines will still be down. Internet or wired and wireless network access at buildings 400, 500, and 600 will NOT be available (e.g., Internet, MyGCC portal, email, Banner, Moodle, etc.)

- Refrigerators, freezers, water, and ACs will be down.

- If all goes as planned, by 5P, power will be energized at buildings 400, 500, and 600.

The schedule for the October 11th power outage will be forthcoming.

Thank you for your understanding. Have a great weekend!
