Service Learning Opportunity with Habitat for Humanity

GCC Community,

Habitat for Humanity of Guam is seeking volunteer support for its next fundraising event - a golf tournament - on Friday, October 10, 2014 at the the Country Club of the Pacific in Ipan. This event will allow HH to continue its plans to break ground on the next two Habitat Homes.

Habitat for Humanity is searching for 23 responsible and dependable individuals to assist in judging the golf contests that will take place during the event. Each person will be paired with another volunteer to ensure fair judging and avoid disputing for participants. HH is looking to slot interested paired volunteers between 12pm - 3pm and 3pm - 6pm on this Friday. HH welcomes those who wish to volunteer during the whole event. Food and drinks will be served during the day and all volunteers are welcomed to join the dinner banquet at 6pm.

Service learning hours will be provided. HH local and international Habitat Affiliate are in good standing with both the local DRT and Federal IRS. The time and commitment contributed here and through other activities will be recognized throughout. Certificates and letters of support are also provided to all individuals no matter the amount of time given to help our overall mission.

If you want to help, please contact Alicia Perez Aguon, HH Guam executive director, at habitatdir@guam.net or 483-7707, or at the Habitat for Humanity office at 647-4667, or habitat.gu.director@gmail.com
