16. What aspects of this Orientation did you find LEAST helpful?

- Careers and education
- Accommodative service
- All parts of the presentation were helpful so I wouldn't say any of the presentation was "least" helpful.
- All were helpful.
- There was nothing that I found least helpful.
- Student Support Services
- Campus Tour.
- Didn't find anything least helpful.
- Orientation was too fast.
- The financial aid was least helpful because I didn't hear a deadline for it.

17. To better serve our GCC students, what suggestions do you have for improving the Orientation program for future semesters?

- Have a good life and better education.
- Everyone did a great job, just need to be alive.
- So far, none.
- Handout and Phone Directory.
- None, it was fine.
- Fine as it is.
- Awesome job! Keep it up!
- Thank you.
- No much, no suggestions for now.
- Not at this time.
- More games and prizes.
- Take time to tell the information.
- Maybe a campus map with the information given out could help.
- More student speakers.
- Need bush cutting classes
- No comment.
- Good time, fast information was fine.
- Make the orientation possibly better known to the student body. I think the handout for FAFSA and/or scholarship information.
- Better food and sweeter tea.
- Extended time so that they can learn more about these programs.
- More visuals
- Make it more entertaining.
- Condense it and go straight to the point.
- Opening up a gym. That is open from 8am-10pm. Just so that people would come together and make a difference in change. Giving more chances to people who would like to get there (AHDD, College, or GED).
- Have a little music and stretching before commencing.
- Do some pushups.
- Provide more information as to what, how, and where to go to fully enroll and get squared away.
- Need more information on how to pay tuition.
- Possibly having different booths available for students who are more interested in different organizations. (Informational booths)
- It would be nice to feel more energy from more speakers.
- More interaction (activities) with students.
- Do an exercise to get the blood pumping the begging of the orientation.
- Help on what classes to register according to associate degree program.
- More information on assistance for Disabilities.
