GCC SLO Jingle Contest lyrics

GCC is where you ought to be  
to learn a trade and get a degree!  
We're leaders in workforce development,  
from technology to management.

Knowledge, skills, abilities, attitudes  
is the basis of learning and get you in the mood.  
To apply, demonstrate and put you at an edge,  
at the Guam Community College!

So you see, at GCC  
we're here to help you, earn that degree!  
Or learn a trade, and run with the know,  
Student Learning Outcomes, the SLOs!
