Fall 2011

Guam Community College teaches me things like what are the SLOs.
They're student learning outcomes
That we'll achieve after completing a course.
Oh-oh-oh! SLOs, GCC.

At GCC we'll need to know,
Many different things called the SLOs, SLOs!
Like to apply, design, think and learn,
These things will help us all succeed in the future.

Guam Community College teaches me things like what are the SLOs.
They're student learning outcomes,
That we'll achieve after completing a course.
Oh-oh-oh! SLOs, GCC.

Guam Community College teaches me things like what are the SLOs.
They're student learning outcomes,
That we will achieve after completing a course.
Oh-oh-oh! SLOs, GCC.
