Subject: Re: Counseling

Hi Chris,

We have implemented an online sign in for the Math & English placement test this Spring '17. ASVAB test started online sign in last semester. We have been continuing "intrusive" academic advisement with selected English Writing classes for the past two years. In these sessions we go over a computerized career development/exploration program called CHOICES and also conduct degree planning..... hope this helps.

Hi Tony,

Is there anything you would like to send to me for the Standard II Report? You mentioned that counseling is giving one to one instruction on advising. Have there been another other changes or accomplishments?

Thank you,

Christine
