Hafa Adai Christine,

Right now our current NCLEX-PN pass rate is 71%. You can find my reports on the pass rate and PN program cohorts on myGCC under public reports. I always do a quarterly report regarding our PN pass rate.

Hi Dee,

I need some information for the Standard 2 report. Could you please e-mail me information about the practical nursing pass rate? Is it the NCLXPN?

Thank you,

Christine
