Hafa Adai Loressa,

Not a problem.

Most of the information I provided Fred are accurately stated in the report with the exception of the first section 5, which is the last paragraph under 3C1.

The phrase, "The College has entered into contract with Tech Proven (formerly Sungard/Ellucian)" should be "The College has entered into a Technical Professional contract with Tech Proven which replaced Ellucian (formerly Education or SGHE)....".

Thanks.

Frank
