

TECH FRIDAY

TECHNOLOGY TRAINING

SEPTEMBER 2012

Every Friday is Tech Friday.

All sessions start at 3:30 P.M.

7TH

Classroom Tools

Bldg. 500, Rm. 501

Chris Dennis

3M Over-the-Whiteboard Projection System

More and more classes are installing these systems. Not only can you control it by tapping on the whiteboard itself but it can also communicate to your computer!

14TH

Windows Tools

Tech Center, TC1221

Elaine Fejerang

Windows 7 Tips

As Windows 7 replaces the XP system on our campus, come join us as we tell you how to get the most out of Windows 7!

21ST

On-Line Tools

Tech Center, TC1108 Robin Roberson

Create Classroom Web Surveys

You can create simple (or complex) surveys on the web and have the site compile the results for you. Graphs, various question styles and even tips can be found at this site!

28TH

Macintosh Tools

Tech Center, TC1108

Wesley Gima

Take Advantage of the Apps That Came With Your Mac

Learn how to resize pics, image correct and annotate with Preview. Learn how to access the dictionary at anytime. Use your calculator to convert measurements from almost anything to... anything! Plus more!

TECH FRIDAY

TECHNOLOGY TRAINING

OCTOBER 2012

Every Friday is Tech Friday.

All sessions start at 3:30 P.M.

5TH

Classroom Tools LRC, Room 112

Elaine Fejerang

iPads in the Classroom

How do I connect an iPad to a flat screen TV, wired or wirelessly? What about connecting an iPad to a projector? Can I control a remote computer through an iPad and project it on a big screen? Can I use Flash on the iPad? What about grading? What's this about Multimedia books? Where can I get free lecture sources or free books? Come join us for answers to all these questions plus more!

12TH

On-LineTools A Bldg. Room A7

Steve Lam/John Jocson/Theresa Hormillosa

GradeKeeper and ExamView

Two software tools that can help you with grading and exams. Learn how to set up your class with Grade Keeper using categories and enter grades with ease while providing student reports on paper and/or online. ExamView provides you with the ability to create various forms of assignments and deliver exams via paper and/or online.

19TH

Classroom Tools Tech Center,TC1108

Jean Cepeda

Getting Big Results Out Of Your Small Camera Phones

Almost everyone has a phone that can take pictures. As any professional photographer will tell you, the best camera is the one you have with you. Come join us as Jean shares some basic camera techniques in taking better pictures with the camera you have with you all of the time!

26TH

On-LineTools A Bldg. Room A7

ToniRose Realica/Becky Toves

Technology for Classroom Instruction that Works

Discover for yourself some of the tools you can use to enhance classroom instruction. Get hands on training on making rubrics, concept mapping, constructing gradebooks, formulating surveys for student feedback, using videos, and blogging. These practices are based on a recent training session, Classroom Instruction that Works, attended by several GCC faculty including the presenters. Here's your chance to try out something new!

Hafa Adai Loressa,

Attached is the update for Standard 3.

I updated my part. It is dated 05.01.03 and it is in green fonts.

Please e-mail me if you have any questions.

 Reply |  Reply All |  Forward |  Print |  Delete

Hafa Adai Loressa,

Not a problem.

Most of the information I provided Fred are accurately stated in the report with the exception of the first section 5, which is the last paragraph under 3C1.

The phrase, "The College has entered into contract with Tech Proven (formerly Sungard/Ellucian)" should be "The College has entered into a Technical Professional contract with Tech Proven which replaced Ellucian (formerly Education or SGHE)....".

Thanks.

Frank

Subject: Standard Committee Actionable Plan F/up

Hello Mr. Francisco, I have taken over Fred's role in updating the actionable plan for standards III Fall 2012. I appreciate if you could please review the fall 2012 report and comment whether there have been any revisions to the actionable plan. Section (3C1, 3C1b, 3D2f). Thank you.

Greatly Appreciated,

Loressa

I've attached flyers for the Tech Friday sessions.

We also had session for iOS technology on Aug 29, Sep 19 and Oct 10.
See
the attached flyer.

Is the state of DE also under your purview?

wes
