

# TECH FRIDAY

## TECHNOLOGY TRAINING

# SEPTEMBER 2012

**Every Friday is Tech Friday.**

**All sessions start at 3:30 P.M.**

**7<sup>TH</sup>**

**Classroom Tools**

Bldg. 500, Rm. 501

Chris Dennis

### **3M Over-the-Whiteboard Projection System**

More and more classes are installing these systems. Not only can you control it by tapping on the whiteboard itself but it can also communicate to your computer!

**14<sup>TH</sup>**

**Windows Tools**

Tech Center, TC1221

Elaine Fejerang

### **Windows 7 Tips**

As Windows 7 replaces the XP system on our campus, come join us as we tell you how to get the most out of Windows 7!

**21<sup>ST</sup>**

**On-Line Tools**

Tech Center, TC1108 Robin Roberson

### **Create Classroom Web Surveys**

You can create simple (or complex) surveys on the web and have the site compile the results for you. Graphs, various question styles and even tips can be found at this site!

**28<sup>TH</sup>**

**Macintosh Tools**

Tech Center, TC1108

Wesley Gima

### **Take Advantage of the Apps That Came With Your Mac**

Learn how to resize pics, image correct and annotate with Preview. Learn how to access the dictionary at anytime. Use your calculator to convert measurements from almost anything to... anything! Plus more!

**Have something to contribute?**

**Send an e-mail to [wesley.gima@guamcc.edu](mailto:wesley.gima@guamcc.edu).**

**GUAM COMMUNITY COLLEGE**

*Kulehon Kumunidát Guáhan*
