Instructions: For each question or item below, please answer "yes," "no," or "not applicable" ("n/a") by checking the appropriate box. Each question must be answered, or the checklist will be considered incomplete and returned to you for completion. In some cases, a short answer is required in addition to checking one of the boxes. Please provide an answer in the space provided. Some questions or items below are also accompanied by notes or special instructions. Please read them carefully and respond accordingly. When you have completed the procurement and the checklist, please sign and date the certification, and submit the certified checklist to the Attorney General's Office.

This checklist covers the basic essentials of an IFB type of procurement. However, depending upon the circumstances, other requirements of the Guam Procurement Law and regulations may apply. In addition, federally funded acquisitions may be subject to federal requirements. You are responsible for ensuring that all legal requirements are followed, including any requirements not specifically addressed in this checklist.

The Attorney General's Office will conduct occasional audits of your agency's acquisitions which you are handling as a Special Assistant Attorney General pursuant to 5 GCA § 5150. Please have the procurement record ready for audit at all times. The procurement record should be complete, organized, without multiple numbers of the same documents, and bound in some manner so that there are no loose papers. If we audit a record, and find that it is unorganized, or contains unnecessary duplications, or loose papers, we will return it to you for restructuring into an acceptable form.
