Vera,

All the KSA are provided within the EA (attached is the 2014 latest DRAFT that I'm updating as Version 3 for the CTC) at the following as shown in the Table of Contents of the Enterprise Architecture document pages. The current final EA I'll send on the next e-mail because of the size.

Data IT Training (DT) pg 60  
Application IT Training (AT) pg 63  
Technology IT Training (TT) pg 67  
IT Management IT Training (MT) pg 73

I've also attached related MIS training documents.

Frank

Here's the report with Mary's comments. AIP #3C1 can be found on page 22; AIP 3C1B on page 23.

Thanks Frank.
