Subject: BOT renews contract for President Okada

Message Body:

Hafa Adai GCC Community,

On behalf of the members of the Guam Community College Board of Trustees, it is my pleasure to announce that the board has extended the contract of GCC President Dr. Mary Okada for another three years. Dr. Okada's contract was set to expire in June 2016, and she has agreed to remain as president through June 2019. We are very pleased with the progressive educational and workforce development mission that GCC faculty, staff, and administrators facilitate under Dr. Okada's leadership, and we welcome her continued guidance of this important mission, especially in light of the College's upcoming accreditation visit in 2018.
